GENERAL

Proceedings of the Government of Mysore,

No. 11532-9—Mis. 3080, dated Bangalore, 1st March 1901.

Order—In continuation of the marginally noted orders and of the enquiry made in this office No. 4767-74—Mis. 1013, dated the 28th September 1900, and which the Deputy Commissioner of the Hassan district has not as yet replied to, Government wish to point out to that officer and to all the officers under him, such as Sub-Division Officer, Assistant Commissioners, Amildars, &c., that it is of the greatest importance that whenever they are at head-quarters they should invariably attend their offices at 11 A. M., unless prevented by other pressing work, and hear petitioners and cases and transact all other official business during the usual office hours. Government observe that inability to strictly adhere to this rule can only be a rare occurrence. Inattention to the rule, which Government have reason to believe is not now uncommon, is calculated not only to retard official business but also to put petitioners, parties and witnesses to inconvenience, and cannot in public interests be too strongly deprecated. It is hoped that Government will not again have occasion to remark upon the non-observance of this simple and wholesome rule by any of the officers attached to that district.

Correspondence ending with the following letter from the Secretary to the Government of Mysore, General and Revenue Departments, to the First Assistant to the Resident in Mysore, No. 10470—Pol. 403, dated the 12th February 1901 :—

Adverting to your letters of the 26th October and 10th November 1900, Nos. 5255 and 5894, conveying certain observations of the Honourable the Resident regarding the conservation of ancient buildings in Mysore, I am directed to state as follows :—

2. As regards temples in the State generally, a distinction has all along been maintained between buildings in which worship is still carried on, and those others (not many in number) which are deemed worthy of preservation as objects of antiquarian interest on account of their sculpture or architecture. Institutions falling under the latter class are alone placed under the care of the Public Works Department; while those of the former, like the Belur temple, where the services are still regularly performed, are managed by the Muzrai Department, as delicate questions of ritual, &c., are likely to be of frequent occurrence. But in so far as repairs to Muzrai temples are concerned, the standing orders on the subject already provide that the Muzrai Department may apply for the services of Public Works Officers in those cases in which professional advice and skill and expeditious execution of works are considered essential.

3. With reference to the temple at Belur, what the residents of the place have been chiefly urging for some time past is, the re-construction of the *vimana* or *gopura* which, having become unsafe, had to be dismantled years ago, to save the other portions of the structure from collapse. Colonel Bowen, the late Chief Engineer of Mysore, who was, after considerable opposition from the priests, with difficulty, permitted access to the shrine, inspected the building in 1896, and expressed the opinion that it would be decidedly risky to construct a heavy dome of solid masonry over the old roof, and that the only work feasible was to put up a *light wooden* dome. This, however, was deemed obviously incongruous in an architectural point of view, and as a proper *vimana* could not be provided without injuring or marring what remained of the ancient buildings, it was considered sufficient to have the roof made water-tight. This was accordingly done in the year 1898, by the Public Works Department. That Department has now been asked to again examine the present condition of the building generally and of the roof in particular, with a view to any needful repairs being promptly effected out of the special annual grant of Rs. 15,000 which the Durbar have year after year been sanctioning for the urgent repairs of the more important Muzrai Institutions in the State.

4. It has not been usual to consult the Director of Archæological Researches with regard to the repairs, &c., of ancient buildings under Public Works charge. The Public Works Department will, however, be requested to do so in future, in all cases, such as those involving statues, inscriptions or other matters of archæological importance, in which the suggestions of the Director would be of value.

5. As regards the work at Halebid, referred to by the Hon'ble the Resident, it may be explained that, in view of the approaching visit of H. E. the Viceroy, it was considered desirable to have the statues and other figures, of which a large number were lying scattered about the compounds of the Kedaresvara and Hoysalesvara temples, properly grouped; and an estimate for this work was accordingly sanctioned for speedy execution in September last. Mr. Rice has, however, since placed himself in communication with the Public Works Department and has submitted certain suggestions, which will be referred to that Department for consideration and needful action.

6. Not having received any specific representations on the subject from the Director of Archæological Researches, the Durbar do not feel they are in a position to say that their local officers have neglected to furnish him with information regarding important archæological discoveries. In the particular instance of the stone mills excavated near the Chitaldrug Fort, there does not appear to be any good ground for such a surmise, as the report submitted by the Deputy Commissioner, soon after, on the 1st September 1900, was communicated by Government on the 15th idem to Mr. Rice. At the same time, by far the larger number of archæological finds will probably be found to consist of ancient inscriptions in temple premises, easily accessible for examination; and it is reported by the Muzrai Superintendent that every facility is afforded by the managers of temples to officers of the Archæological Department who visit them for the purpose of studying and taking copies of inscriptions.

7. To ensure that prompt intimation is given in future, of all discoveries of archæological interest, the Durbar will issue needful instructions to local officers.

No. 11590-4—Mis. F. 15-1900, dated Bangalore, 2nd March 1901.

Order thereon—The Chief Engineer is requested to have the present condition of the Belur temple generally and of the roof in particular examined with a view to any needful repairs being promptly effected out of the special annual grant of Rs. 15,000 sanctioned for the urgent repairs of the more important Muzrai institutions in the State.

2. The Public Works Department is requested in future to consult the Director of Archæological Researches in all cases of repairs, &c., to ancient buildings under its charge, such as those involving statues, inscriptions, or other matters of archæological importance, in which the suggestions of that officer would be of value.

3. The suggestions made by the same officer in his letters Nos. 1486 and 1488, dated the 10th and 15th January 1901, regarding the repairs of the Kedaresvara and Hoysalesvara temples at Halebid, are referred to the Public Works Department for consideration and needful action; and those made in para 3 of his letter No. 1487 of the 15th idem, regarding the stone mills discovered near Chitaldrug Fort, to the Deputy Commissioner of Chitaldrug for needful action, any cost incurred being debited to savings in the Archæological budget for the current year.

ORDER—Government desire that the district and other local officers will acquaint themselves, as far as possible, by enquiries in the course of their tours and otherwise, with the existence and nature of all objects of archæological interest within their jurisdictions, such as ancient inscriptions, statues, relics, trophies, ruined buildings, buried implements and the like, and communicate, as speedily as possible, all discoveries of the kind to the Director of Archæological Researches, with a view to afford facility to the Director and to officers deputed by him for the examination and study of the same.

Letter No. 7223—305, dated 19th February 1901, from the Inspector General of Education in Mysore, requesting sanction to the payment of the charges incurred on account of the Local Examinations held in 1900.

No. 11763-4—ED. F. 29-96, DATED BANGALORE, 5TH MARCH 1901.

ORDER THEREON—The results reported in the letter read above are satisfactory. The expenditure on account of the Local Examinations held during the year under report was Rs. 8,420-3-0 as against an income of Rs. 10,442-8-0, thus showing a balance of Rs. 2,022-5-0 to the good.

2. Government are accordingly pleased to sanction the expenditure of Rs. 8,420-3-0 which exceeds the budget provision by Rs. 480-3-0. It is presumed that the whole of the realizations have been credited to the Village School Fund, to which, therefore, the excess in question will be debited. This information should be given in future.

Correspondence ending with the Khazana Bakshi's letter No. 43, dated the 21st February 1901, on the proposed payment of the pensions of the Pollegars, in the Treasuries near their homes, whether there is plague or not in Bangalore.

No. P. P. 181-90, DATED BANGALORE, 7TH MARCH 1901.

ORDER THEREON—The Pollegar pensions have, from the beginning, been disbursed in the State Huzur Treasury, except in a few cases which, for special reasons, were transferred to the Chitaldrug District Treasury. With regard to the transfer of all these pensions, as a class, from the State Huzur Treasury, it is clear that on sentimental or other grounds the bulk of the Pollegars were opposed to this change in 1872. But in 1898 some of the Pollegars prayed that as plague was raging at Bangalore, some arrangement might be made by which the payment of their pensions could be made near their homes. Under these circumstances, Government are of opinion that on grounds other than the prevalence of plague, no change is called for, and as plague has now practically disappeared from Bangalore, the said change on this ground is not necessary. In special

cases, however, when owing to infirmity or other cause a Pollegar pensioner prays for remittance of his or her pension, as a temporary measure, through the Amildar of the taluk in which he or she resides, the Khazana Bakshi is empowered to comply with the request and to make needful arrangements as a special case.

Compared with the figures for the previous year, the number of in-patients shows an increase of 2,366; and that of out-patients an increase of 204,576, which was due to the establishment of new dispensaries and the re-opening of certain others that had been closed, and also to the subsidence of plague. Among the 7,397 in-patients treated, the deaths were 422 or 117 more than in the preceding year. Information regarding deaths among out-patients is reported to be not available.

2. The number of deaths in the hospitals from small-pox was 6 out of 159 cases treated in the years against 5 out of 134 in 1898-99.

3. During the year under review, cholera prevailed only in Tumkur, Hassan and Chitaldrug districts. 4. The number of cases of fever treated during the year was 231,938 with 11 deaths as against 145,993 with 22 deaths in the previous year. Cases of eye diseases treated numbered 74,599 against 48,869 in 1898-99.

5. The number of surgical operations performed during the year was 15,430 or 1,625 more than in the previous year.

6. The total expenditure incurred on all the hospitals and dispensaries was Rs. 2,13,579 against Rs. 2,01,046. Contributions from Local and Municipal Funds amounted to Rs. 56,644 against Rs. 57,583-13-9 in 1898-99. 76·89 per cent of the total cost was borne by Government, as against 76·62 in the year before.

7. There were 87 midwives, or 3 more than in the previous year. 3,874 cases were attended to by them, of which only 44 proved fatal. Six pupil-midwives were under training at the close of the year, five in Mysore and one in Bangalore.

Report on Vaccination in Mysore for 1899-1900.

2. Report on the Vaccine Institute, Bangalore, for 1899-1900.

No. 12074—MIS. 3196, DATED BANGALORE, 11TH MARCH 1901.

REVIEW THEREON—*Vaccination.*—The total number of cases vaccinated during the year 1899-1900 was 39,643 against 36,515 or an increase of 3,128 over the year previous. As compared, however, with the average of the previous five years, excluding 1898-99 when plague was largely prevalent, there was a decrease of 61·23 per cent, due chiefly to an unfounded fear on the part of the people that inoculation for plague might be performed in place of vaccination for small-pox. Of the number vaccinated 38,708 were cases of primary vaccination against 36,047 of the previous year; out of these, 35,016 or 90·46 per cent were successful against 32,141 or 89·16 per cent of the previous year. Cases of re-vaccination were 935 with 517 or 55·29 per cent of success against 468 with 233 or 49·78 per cent in the previous year.

2. *Small-pox.*—The number of deaths from small-pox during the year under review was 3,488 against 4,278 in the previous year, thus showing a decrease of 790.

3. The cost of the establishment during the year amounted to Rs. 20,346-12-9 against Rs. 19,962-7-0 in the previous year; and the average cost of each successful case was Rs. 0-9-5·90 against Rs. 0-10-0·73.

4. *Vaccine Institute.*—The total quantity of Lanoline vaccine manufactured and issued during the year was sufficient for 378,953 cases, each calf giving on an average lymph enough for 499·27 cases as against 470·77 in the preceding year.

5. Vaccine for 63,134 cases was distributed among the Vaccinators and Medical subordinates in the State, against 62,146 in the previous year. The remainder, enough for 315,819 cases, was supplied to stations outside the State and realized a sum of Rs. 16,390-4-7.

6. The Institute cost the State Rs. 10,199-6-7 against Rs. 12,250-14-3 in the previous year, and yielded a profit of Rs. 14,791-0-7 against Rs. 6,918-9-0.

Chattram Hospital, Bangalore.—This institution is intended for the accommodation and treatment of infectious or communicable diseases occurring among the residents of the City or among pilgrims or others arriving by train. Government note with satisfaction that there were no cases of cholera or small-pox admitted during the year, nor were any Tirupati pilgrims detained in the chattram. The building is reported to have been wholly utilised as Plague Hospital for plague patients during the year under review.

Letter No. 6288—270, dated 21st January 1901, from the Inspector General of Education in Mysore.

I have the honor to inform you that occasionally the Inspector General of Education is offered small sums for the endowment of prizes or scholarships or other scholastic purposes, such as the payment of fees, the free gift of books to poor scholars, &c. I request that Government may be pleased to direct the Comptroller to take charge of such endowment funds, to invest them in the Government Savings Bank or Government of India Securities to pay the proceeds quarterly or half yearly on bills countersigned by the Inspector General for the purposes of the endowment, and at the same time to render to the Inspector General every half year an account of the endowment funds. If a regular procedure is once recognised and adopted for the acceptance and administration of endowment funds, I hope that in future encouragement will be given to the public to establish endowments of small amounts for the benefit of the school-going population.

ALSO—

Letter No. 4561, dated 26th February 1901, from the Comptroller to the Government of Mysore.

With reference to your docket No. 10900—Ed. 371, dated 15th February 1901, forwarding a copy of letter No. 6288—270, dated 21st January 1901, from the Inspector General of Education in Mysore *re* the investments of sums received by him for the endowment of prizes, scholarships, &c., I have the honor to state that there are already three similar accounts, besides a large number of trust and deposit accounts on behalf of charitable institutions and endowments. If the number of fresh accounts proposed be not large, this office may undertake to deal with them.

No. 12611-13—ED. 452, DATED BANGALORE, 26TH MARCH 1901.

ORDER THEREON—Under the circumstances reported in the letters read above, Government are pleased to direct that the funds received by the Inspector General of Education as endowments for scholarships, prizes, &c., be placed at the disposal of the Comptroller, who shall invest the same in his name, in the Government of India Securities. With a view to avoid multiplying the number of accounts in the Comptroller's office, the several amounts received on account of different endowments will form a single fund for the purpose of investment. The amounts required from time to time might be drawn by the Comptroller and remitted on the requisitions of the Inspector General of Education, in whose office the accounts of the separate endowments will be kept.

2. The Inspector General of Education will report for the information of Government the number and value of such deposits that will at once be placed at the disposal of the Comptroller, and the probable number and value of the same that will be so dealt with in the near future.

3. In the annual reports, the Inspector General should briefly allude to these funds for the information of Government.

JUDICIAL

Proceedings of the Government of Mysore,

READ THE FOLLOWING PAPERS—

(1) *Letter, dated the 23rd August 1898, from the Secretary to the Kolar Gold Field Mining Board, to the Dewan of Mysore.*

I am requested by my Board to ask the honor of your consideration of the following facts connected with the summoning of witnesses in the Mysore Courts and to lay before you the enclosed correspondence and Press comments.

On the 28th June last four officials holding responsible positions on the Mines were summoned to give evidence in the City Magistrate's Court, Bangalore, in a criminal case, the point at issue being a purely technical one and the evidence required being, in every sense of the word, expert evidence.

The four witnesses made the journey to Bangalore at great personal inconvenience to themselves and at considerable expense only to find that the case was of an exceeding trivial nature and that their evidence in the face of the opinion and analysis presented by the State Geologist was quite useless and unnecessary. More than this, there seemed to them to be indications that the whole case was the outcome of personal animosity between the parties concerned. Yet on applying for the payment of their expenses in attending the Court they were informed by the Magistrate that under the rules he was unable to direct such payments.

My Board is aware that it is the duty of all good citizens to further the administration of justice, and it believes that no member of this community would object, at whatever inconvenience to himself, to render such aid as could be afforded by evidence of fact, but it respectfully begs to represent to you that the power to subpœna expert witnesses to give evidence in any trumped up case that may be brought by any irresponsible person before a court, is liable to abuse and more especially so, if this carries with it no liability for expenses. And my Board being apprehensive that such procedure may become frequent and common, it prays that you will be graciously pleased to consider the advisability of introducing as a deterrent, some rule to provide for the payment of witnesses' expenses when the evidence required is of an expert or technical nature. In asking this concession my Board is encouraged by the opinion of its solicitors that Section 544 of the Indian Penal Code gives all Courts ample discretion as to such matters and the necessary powers to prevent abuse of legal processes, while Section 244 of the same, empowers a Magistrate before summoning any witnesses on the application of either the complainant or accused to provide for the reasonable expenses of such witnesses to be deposited in Court.

ENCLOSURES.

Letter, dated the 27th June 1898, from the Secretary to the Ooregum Gold Mining Company of India, Limited, to the Secretary to the Kolar Gold Field Mining Board.

My object in addressing the Board is to call attention to the existing state of the law re experts and witnesses in criminal cases in the Mysore State.

As the law now stands, a barrister may, if he wishes, summon a witness to appear and give expert evidence. The witness must, in criminal cases, perhaps from a distant place at considerable expense and great inconvenience, obey the summons, he will also, unless he proves that he is a pauper, be obliged to himself defray all his travelling and other expenses incurred in obeying such summons. On Saturday last, 25th instant, Messrs. Llewellyn, Scantlebury, Leslie and myself had to attend as expert witnesses in the City Court, Bangalore. Captain Rowe being also subpœnaed to give evidence in a case where the analysis presented by the State Geologist, Dr. Evans, conclusively proved that the sponge gold in dispute containing 26 per cent silver, could not be sworn to as Kolar Gold.

The present state of the law which now allows a barrister, at the personal cost only, of obtaining a summons to inflict at times perhaps unnecessary expense and inconvenience on witnesses in criminal cases, was taken advantage of and the abovementioned had to attend the Court. I am of opinion that if the law allowed a fee for such evidence or even travelling expenses, we would not have been summoned. As this is a precedent and may continue to an unlimited extent under the new Mysore Mines Regulation Act,

re theft of gold, I would ask the opinion of the Board whether it is not now necessary to request Sir K. Seshadri Iyer, Dewan of Mysore, to devise measures at least as far as the Mining community is concerned, to prevent the abuse of a system which I am given to understand, has no parallel in any other part of the civilised world, or if expert evidence be necessary to cause such evidence to be taken in the Court of the Special Magistrate at the Kolar Gold Fields.

The *Madras Mail*, Monday 27th June 1898.

Witnesses in Mysore Courts.—The hardship and inconvenience to which respectable witnesses are subjected in the Mysore Courts formed the subject of some discussion in a case which came before the City Magistrate last Saturday, when Mr. Hambley of the Ooregum, Mr. Llewellyn of the Coromandel, Captain Scantlebury of the Mysore Reefs, and Mr. Leslie, Chief Engineer and Chemist of the Cyanide Works, Kolar Mines, appeared in obedience to subpœnas served upon them at the instance of Mr. J. W. Hayes, Advocate, who was desirous of obtaining expert evidence as to whether a small piece of sponge gold, given to him by a client in payment of his fees, was gold produced from the Kolar Mines. Not satisfied with the certificate of analysis of Dr. Evans, the State Geologist, to whom the gold was first submitted for examination, Mr. Hayes required the further evidence of the gentlemen mentioned, who at considerable inconvenience were compelled to attend, and gave the same. Upon their applying, however, to the Magistrate for the payment of their expenses from Kolar to Bangalore and back, the Magistrate, while sympathising with them, regretted that under the rules he was unable to direct their payment. Both Mr. Hambley and Captain Scantlebury pointed out the serious inconvenience they had been put to and the former informed the Court that in order to prevent a repetition of same, the Mining Board would lose no time in bringing the matter to the notice of the Government, so that steps might be taken to remedy the grievance, which, so far as we are aware, obtains nowhere else. To expect gentlemen of position and responsibility to leave their work and give expert testimony gratis, besides having to pay their hotel, travelling and other expenses, is, to say the least of it, scandalous and the sooner this unsatisfactory state of affairs is set right the better. We also understand that Dr. Evans, the State Geologist, who was present in Court, promised to support any representations that the Mining Board might make on the matter.

(2) *Letter, dated the 31st October 1898, from the Secretary to the Kolar Gold Field Mining Board to the Dewan of Mysore.*

I am requested by my Board to respectfully ask that their letter of the 23rd August last on the matter of summoning of witnesses to give expert evidence in the Mysore Courts, may receive your early consideration.

(3) *Letter, No. 9444—J. 1046, dated the 26th January 1901, from the Secretary to the Government of Mysore, General and Revenue Departments, to the Registrar of the Chief Court of Mysore.*

I am directed to forward herewith letters, dated the 23rd August and 31st October 1898, respectively, from the Secretary to the Kolar Gold Field Mining Board to the Dewan of Mysore, bringing to notice a case in which four gentlemen holding responsible positions on the Mines are stated to have been unnecessarily summoned to give expert evidence in the City Magistrate's Court, Bangalore, without being paid their expenses in attending the Court, and submitting for consideration of Government the desirability of introducing as a deterrent, some rule to provide for the payment of expenses of witnesses summoned by Criminal Courts to give evidence of an expert or technical nature.

2. I am to observe that nowhere in British India do expert witnesses summoned for the prosecution in warrant cases seem to be treated differently from other witnesses and paid batta at special rates or their actual travelling expenses, and that if in Mysore such payment be now authorised under Section 544 of the Criminal Procedure Code, the expense would have to be borne by Government and it would therefore be no punishment to complainants summoning expert witnesses, whose evidence was not really necessary. What is required in cases like the one instanced by the Mining Board, appears to be the proper exercise by Magistrates of the discretion vested in them by clause 2 of Section 252, Criminal Procedure Code.

3. I am therefore to request that you will kindly place the matter before the Judges with a view to suitable instructions being issued to the Magistracy.

(4) *Letter No. 4946—157, from the Registrar of the Chief Court of Mysore, dated Bangalore, 6th February 1901.*

With reference to your letter No. 9444—J. 1046, dated 26th ultimo, I am directed to forward for the information of Government, the enclosed copy of a Circular letter issued to Sessions Judges and Magistrates *in re* the summoning of witnesses to give evidence in Criminal Cases.

The enclosures of your letter are herewith returned.

ORDER—A case of assault alleged to have been recently committed by an European on a taluk official was not reported to Government by the Deputy Commissioner concerned with the promptitude required by Government Proceedings No. 7901-39—Mis. 1708, dated 12th December 1900. The delay in the submission of the report has deprived it of all value. The attention of all the officers concerned will be called to the explicit instructions conveyed in the Government Proceedings above referred to, and they will be requested to take such steps as may be necessary to ensure that in future any event of the kind contemplated in that order is promptly reported to Government in the manner therein laid down, on the very day of the occurrence, if possible, so that the information may at once be communicated to the Honorable the Resident to enable him, if necessary, to report the same by telegram to the Government of India.

Letter No. 51, dated the 8th February 1901, from the District Magistrate, Anantapur, to the First Assistant to the Resident in Mysore, received with the latter's Memo No. 878, dated the 22nd February 1901 :—

In returning herewith unexecuted the warrant received by me on 3rd January 1901, with your letter No. 6805—560-1900, dated 31st December 1900, I have the honor to state that the accused therein referred to was, after being kept in the Kalyandrug Sub-Jail for two months from 23rd October 1900 to 22nd December 1900, released under the provisions of Section 16 of Act XXI of 1879, on 23rd December 1900, owing to the non-receipt within the two months of the warrant in question. The accused is reported to be at Parasarampuram village in the Challakere taluk of the Mysore Province.

No. 11826-34—J. 1241, DATED BANGALORE, 7TH MARCH 1901.

ORDER THEREON—The foregoing copy is forwarded to the District Magistrate of Chitaldrug, for information and needful action, in continuation of this office communication No. 8675—J. 964, dated the 7th ultimo.

2. From the Anantapur District Magistrate's letter, dated the 7th November 1900, a copy of which was received with the First Assistant Resident's letter No. 6023—560-1900, and forwarded to the District Magistrate of Chitaldrug, it

would appear that it was at the instance of the jamadar of Challakere that the prisoner was arrested by the Station House Officer of Settur of the Kalyandrug taluk, and remanded to custody by the Sheristadar-Magistrate of Kalyandrug. The jamadar must therefore have known those dates as well as the date on which the prisoner would be discharged if no extradition warrant were in the meantime received. Though the date of the remand was not given in the above letter, it is now evident that it was the 23rd of October 1900. It was clearly the duty of the Challakere jamadar, who had procured the accused's arrest and remand to Jail, to have forthwith reported the matter to the Magistrate of his taluk and helped in the necessary action being promptly taken. Information is requested as to when he made his report, and what action the Taluk Magistrate and himself took, and on what date or dates. It was long after the date of remand, *i. e.*, on the 17th December 1900, that the District Magistrate, in reply to a requisition made by Government on 16th November 1900, on receipt of intimation from the Residency on the same date, submitted his application for an extradition warrant. A full report with dates of what was being done not only before the date of this office communication, but for fully a month after, should be forwarded as quickly as possible, with the explanations of all the officials responsible for the delay, which unfortunately has resulted in the accused being released after full two months' detention in the Kalyandrug Jail. Too much stress cannot be laid upon the importance of expeditious action in cases of this kind in which there is a statutory period, the expiry of which without any action being taken in the meanwhile must naturally lead to serious consequences.

Memo No. 1353, from the First Assistant to the Resident in Mysore, forwarding a copy of his letter No. 1352, dated 15th March 1901, to the District Magistrate, Civil and Military Station, Bangalore.

I am directed to refer to the correspondence resting with your letter No. 2371, dated the 7th September 1900, regarding the importation into Bangalore of a consignment of shot without license by Haji Madar Saib & Co.

2. The facts of the case are as follows:—On the 29th March 1900, the Commissioner of Police, Madras, informed this office that Haji Madar Saib & Co. had imported into Bangalore without a license a consignment of shot. He forwarded a goods consignment note in which mention was made of shot as forming part of the goods imported. On the 20th April 1900, he again addressed the Resident stating that the consignor was said to be a partner of Haji Madar Saib & Co., and suggesting that he should be prosecuted in Bangalore. On receipt of this information, the Durbar were addressed, but they in reply reported that the dealers denied the receipt of the consignment; no mention of which was traceable in their accounts. The suggestion was added that enquiries might be made in the Civil and Military Station, where a branch shop of the firm exists. You were then addressed in this office letter No. 2867, dated the 16th June 1900, and with your letter No. 2164, dated the 14th August 1900, you forwarded the report of an enquiry made by the District Superintendent of Police, Civil and Military Station, which showed that the consignment note had undoubtedly been signed by one Abdul Rahiman of Gadangu Theru in Madras. Haji Madar Saib & Co. denied having received the shot as well as all knowledge of any Abdul Rahiman of Gadangu Theru in Madras. All that could be proved regarding the delivery of the goods was that one Mabbub Alam, servant of a contractor Hyat Khan, had received the shot and signed the delivery book but he was not to be found. On the 20th September 1900, the Commissioner of Police of Madras informed this office that it had been ascertained that on the same date as that on which the consignment of shot was forwarded from Madras, a person of the same name, *viz.*, Abdul Rahiman, had sent to Haji Madar Saib & Co. a consignment of crockery. There was thus good reason to believe that the firm had made an untrue statement when they said that they knew of no Abdul Rahiman and on further enquiry you obtained and forwarded a statement signed by a member of the firm of Haji Madar Saib & Co., admitting

that Abdul Rahiman was working for the firm and had sent goods for the firm from Madras. This document showed that the firm had formerly made a false statement when they said they knew nothing of Abdul Rahiman, the signer of the goods note, and though the fact is not susceptible of proof in a Court of Law it may be taken as certain that the firm did import the shot without a license.

3. In these circumstances, I am directed by the Resident to request that Haji Madar Saib & Co., Civil and Military Station, be informed that their license will not be renewed and that they will not be allowed to import any more ammunition into the Civil and Military Station of Bangalore.

No. 1353.

Copy of the foregoing letter is forwarded to the Officiating Dewan of Mysore with reference to his Secretary's letter No. J. 12964—1270, dated the 28th May 1900, for information and with the intimation that under the circumstances explained therein no license will be granted to Haji Madar Saib & Co. to import ammunition into Mysore and that therefore it is useless to continue the grant to the firm of the independent license to possess and sell, which they hold from the Mysore Government.

No. 1275-62—J. 1333, dated Bangalore, 29th March 1901.

Order thereon—Communicated to the District Magistrate of Bangalore for information and with the request that under the circumstances explained in the letter read above, he will cease issuing license for possession and sale of ammunition under the Mysore Arms Regulation in favor of Haji Madar Saib & Co., who are reported to keep a branch shop in the Bangalore City.

Letter No. 524, dated 29th November 1900, from the President of the District Fund Boards in the Mysore district, submitting with reference to this office No. 13406—L. F. 17-97, dated 18th June 1900, a statement showing the names of gentlemen, with occupation, &c., for appointment as members of the District Fund Board of French Rocks Circle, in place of the existing time-expired members.

No. 11883—L. F. 248-96, DATED BANGALORE, 8TH MARCH 1901.

ORDER THEREON—Government regret to notice that the Sub-Division Officer, French Rocks, appointed members of the Local Fund Board and filled up vacancies among them without reference to Government, in direct contravention of the rules, published in Notification No. 110, dated 4th July 1874, and they trust that a repetition of such grave irregularity will be avoided in future.

2. The President of the French Rocks Board should now be requested to take early steps for the election of an Inamdar member, as required in para 14 of the rules, and to report his name for the sanction of Government. As the standing orders require seven non-official members for each Local Fund Committee, the Deputy Commissioner's proposal to appoint only five cannot be sanctioned. He is, therefore, requested to submit a statement showing the names of six proprietors of lands of the taluks in the sub-division, whom the Board propose to appoint as nominated members, stating whether any three of them hold irrigated lands in the sub-division.

3. As the Sub-Division Officer is the President of the Board, it is impossible that the Deputy Commissioner of the district can also be a President of that Board, and it is only as Deputy Commissioner that he should be the medium of communication between the President and Government.

No. 11659-69—L. F. 14-1900, DATED BANGALORE, 5TH MARCH 1901.

ORDER THEREON—The President of the District Fund Board, Kolar, having requested in September last for sanction to the grant of an imprest of Rs. 40 from District Funds for circuit and other urgent expenses of the Local Fund establishments in the District office, the Presidents of the other District Fund Boards were requested to state whether such charges had hitherto been borne from District Funds and if so, what imprest, if any, was required from District Funds to meet those charges.

2. From the replies received and which are recorded above, it appears that no uniformity of practice is at present observed in the matter of debiting such charges. In some districts they have hitherto been incurred either from District Funds entirely or partly from District Funds and partly from Municipal Funds, while in others they have been met from District office contingencies (Revenue). The majority of the Presidents are in favor of imprests being allowed from District Funds.

3. The Government observe that carriage and other charges incurred purely in connection with the Local Fund and Municipal Branches of the District office are properly debitable to the Local Fund and Municipal Funds, respectively, or in fixed proportions. They accordingly direct that a small imprest of Rs. 25 be given from the District Funds to each of the nine Presidents of the District Fund Boards to meet the charges referred to, which should be apportioned between the Municipal and District Funds in the same proportions in which the cost of establishments is being debited, and the imprest recouped periodically as per instructions contained in rules regarding imprests, printed with Government Proceedings No. 18727-37—L. F. 442-92, dated 4th May 1892.

Letter No. 570, dated the 20th February 1901, from the President of the Municipa Commission, Mysore City, stating that the Revd. W. W. Holdsworth, a nominated Commis sioner for Chamraj Mohalla, has resigned his seat on the Municipal Board, and soliciting instructions as to whether it was for the Board or for the President to propose a person t fill the vacancy.

No. 12483-92—L. F. 17-96, DATED BANGALORE, 16—20TH MARCH 1901.

ORDER THEREON—The existing Rules are clear on the point. Whenever a vacancy occurs among *elected* Municipal Commissioners between the dates of two general elections, owing to death, resignation, removal or other cause, the Board is competent to fill up the vacancy, subject to the approval of Government, as per Section 13 of the Election Rules. The case of *nominated* members is, however, different and the Board has nothing whatever to do either with their appointment or with filling up vacancies among them, both of which rest with Government. The President may therefore propose a member to fill up the vacancy for the approval of the Government.

Government Order No. 2089-98—R. F. 6 of 1900-1901, dated 1st September 1900, placing at the disposal of the Deputy Commissioners of the Bangalore, Kolar, Tumkur and Chitaldrug districts, a sum of Rs. 16,000 for advances to be made for irrigation wells, and observing that, owing to financial pressure, grants as applied for could not be fully sanctioned.

READ ALSO—

Letter No. D. 878, dated 29th November 1900, from the Deputy Commissioner, Bangalore district, requesting sanction to a further allotment of Rs. 3,000 for advances to be made for irrigation wells during the year 1900-1901.

2. Letter No. 729, dated 11th February 1901, from the Deputy Commissioner, Tumkur district, requesting sanction to a further allotment of Rs. 7,000 for the purpose mentioned above.

No. 6825-33—R. F. 6-1900, DATED BANGALORE, 6TH MARCH 1901.

ORDER THEREON—The statement attached shows requisite particulars regarding irrigation wells and the amount advanced for them in all the districts up to the close of the year 1899-1900. These wells are sunk chiefly in the maidan districts of Bangalore, Kolar, Tumkur and Chitaldrug. Out of 3,006 wells dealt with from the beginning, applications for advances were cancelled in 937 cases, and wells completed and final loan orders issued in 1,280 cases, the total number of wells thus disposed of amounting to 2,217, and the wells remaining still incomplete numbering no fewer than 789. These incomplete wells call for immediate attention before applications for new wells to be sunk can be entertained. Deducting Rs. 2,06,222 appertaining to cancelled applications and Rs. 2,94,058 on account of wells completed, from the total advance of Rs. 6,29,758, a large amount of advance aggregating Rs. 1,29,178, remains unadjusted on account of incomplete wells, chiefly in the districts of Tumkur (364 wells), Chitaldrug (212 wells), Kolar (151 wells) and Bangalore (60 wells). The Tumkur district has had exceptionally liberal treatment in this matter for several years past, no less than Rs. 2,32,539 having been sanctioned for 1,034 wells in it since 1891 out of Rs. 6,29,758-8-0 for 3,006 wells in the whole State. At the end of 1899-1900, however, there remained still incomplete in that district no less than 364 wells out of 789 for the whole State. Before further grants are asked for, which, under present financial conditions, cannot be sanctioned, the Deputy Commissioners and their Assistants in the four districts named above should see to the early completion in a satisfactory manner of all wells for which loans have already been promised or partly paid, but which have not made the progress that Government had a right to expect. They do not feel sure that loans sanctioned are invariably made proper use of, or that this most important matter is receiving sufficient attention on the part of the local executive officers. Every incomplete well must be seen either by the Deputy Commissioner or the Assistant Commissioner in charge of the taluk concerned, and a full report submitted to Government within three months from this date. The different stages at which the incomplete wells are, the time when they are likely to be completed, the steps taken to ensure such completion, the number of wells which are to be given up, and the amount of advance returned or recoverable on their account, should be clearly ascertained and set forth in the report.

Correspondence ending with letter No. 1303, dated 23rd February 1901, from the Deputy Commissioner, Bangalore district, reporting that the jamabandi of all the three taluks of the Hoskote division has been completed; that the jamabandi of the Bangalore and Dodballapur taluks remains undone, as Mr. Krishna Iyer, the Assistant Commissioner in charge of the Bangalore division, has gone on leave, the jamabandi of the Nelamangala taluk, having been completed by the late Divisional Officer Mr Sreenivasaiengar; that the jamabandi of the said two taluks will be taken up as soon as Mr. Rajagopalacharlu returns from leave; and that in the Closepet division, Mr. Paramasiva Iyer, who has done the jamabandi of the Clospet sub-taluk and is going on with the Kankanhalli taluk, has promised to do the remaining two taluks of Channapatna and Magadi, promptly.

ORDER THEREON—It is not clear why the Deputy Commissioner himself should not do the jamabandi of at least one or two taluks. This wholesome practice seems to have been discontinued in this district. For jamabandi purposes, it is desirable that there must be an interchange of Divisional Officers, while in each division the Deputy Commissioner himself should take up one taluk. General supervision by the District Officer is not all that is required.

Correspondence ending with letter No. 522, dated the 20th December 1900, from the Deputy Commissioner, Chitaldrug district, submitting further report *in re* the omission on the part of....., to visit the village of Ghataparti where cholera had broken out in July and August 1900.

No. 7043-51—R. F. 49-97, DATED BANGALORE, 9TH MARCH 1901.

ORDER THEREON—In his diary from 21st July to 11th August 1900, submitted to the Plague Commissioner, an extract of which was forwarded to Government by the latter, the Deputy Commissioner stated that owing to the outbreak of cholera in the Ghataparti village on the 1st July 1900, 39 persons had died up to the 8th August 1900; that the Amildar had not visited the village even once during the interval; that nine dead bodies had been thrown into a disused well in the burial ground; that on the 5th August, the Amildar received a report to that effect, and sent the Police jamadar to the place to see what the matter was; and that an explanation had been called for from the Amildar as to why he himself had not gone to the spot at once.

2. The Amildar, whose explanation has been obtained and submitted, states that till the 8th July 1900, he had received no report about the outbreak of cholera in the village, either from the Police or from anybody else; that on the 9th idem he received a report stating that there had been four attacks; that on the 19th idem, he received a second report intimating that there had been three more attacks; that the several reports received in the taluk showed that deaths had begun to occur only from the 20th July; that therefore he thought that there was no urgent necessity for a visit to the village; that even till the end of July deaths were occurring only at intervals; that he had various other duties to attend to, more especially Criminal cases; and that he had, however, asked the Hospital Assistant to go to the village with the requisite medicine. He further states that at the beginning of August, he was awaiting the arrival of the Deputy Commissioner and the Treasury Assistant Commissioner at the taluk head-quarters; that on the 5th, the Assistant Commissioner arrived at Challakere and left the place the same day; that the reports received from the 3rd to the 7th August showed that the disease had abated; and that on the 8th August, he received orders from the Deputy Commissioner and accordingly went to Talak and from thence followed him to the Ghataparti village on the 9th. He adds that on the 2nd August, as soon as he received a report of dead bodies having been thrown into a well, he sent the jamadar, who got them removed from the well and properly buried; that as soon as he knew that cholera had broken out in the taluk, he issued necessary instructions to the Police jamadar and Inspector and the Taluk Sheristadar, in view to his being kept informed of the condition of village sanitation throughout the taluk; that he also visited many villages

himself; that the dafadar of every Police Station had been supplied with cholera medicine with instructions as to how to use it; and that as he had various duties to perform, it was impossible for him to visit each and every village infected with cholera.

3. With reference to the above explanation and to certain observations made in Government Proceedings No. 3279—R. 1073, dated the 18th October 1900, the Deputy Commissioner states that from the first appearance of cholera in the Chikamadhure village in the Challakere taluk on the 11th June 1900, till the 2nd August 1900, on which date the Amildar received the report of dead bodies having been thrown into the well at Ghataparti, the disease had spread itself into 20 villages; that during the whole of this period, the Amildar was in charge of the taluk; that the number of days on which he actually camped out in July and August was eight; the number of days he travelled in the taluk being nine; that this itineration cannot be considered sufficient, especially during the period when cholera had broken out; and that during the two months in question, the Amildar attended to Criminal work for 21 days and disposed of 10 out of 19 cases tried by him. The Deputy Commissioner further states that the Amildar came to Ghataparti at midnight on the 8th August, not on the 9th as stated in his explanation; that the Amildar need not have waited for his arrival, nor did he ask the Amildar to wait for him; that although it was not probably possible for the Amildar to personally inspect each and every village immediately after the outbreak of cholera, still there was no excuse for his not having gone to Ghataparti as soon as he received the report of dead bodies having been thrown into the well; and that the Amildar's explanation is not satisfactory.

4. The Government observe that this is a case in which notice should be taken of the Amildar's conduct. He has failed to realize the importance attached by Government to his moving about in the taluk, and in the present instance his omission to visit Ghataparti is culpable and has not been sufficiently and properly accounted for. During the months of July and August, the Amildar had light Criminal work and no Police duties which could have interfered with the proper discharge of his Revenue duties. As a punishment for this omission of duty on the part of the Amildar, Government direct that he be placed last in the 3rd grade in which he is at present.

2. Letter No. 1926—217, dated 3rd December 1900, from the Inspector General of Police, submitting a further report from the Deputy Commissioner, Tumkur district, on the conduct of the Amildar in the said case.

No. 7170-9—R. F. 3-98, DATED BANGALORE, 12TH MARCH 1901.

ORDER THEREON—Government observe from the records read above that ...., Amildar of....., has been guilty of gross neglect of one of his most important duties as head of the Taluk Police. A death under suspicious circumstances took place at .. .., on the night of 9th May 1900. The case was reported to the Police by the patel on the morning of the 10th. The Inspector being then absent on leave, the jamadar at once brought the reported occurrence to the notice of the Amildar. The latter who was present at the kasba, instead of holding the inquest proceedings himself, delegated this important duty to the jamadar. The inquest strengthened the suspicions already

aroused in the case and the dead body was forwarded the same evening (10th) for *post mortem* examination. The result which pointed to murder was orally communicated by the Hospital Assistant to the jamadar on the evening of the 11th. The Amildar still remained passive and advised the jamadar to defer the submission of the first information report in the case pending the receipt of a written *post mortem* report. The Amildar whose inaction in these circumstances was opposed to the express instructions contained in the Inspector General's Circular No. 1616—44, dated 10th December 1892, then left the kasba, and went, as he alleges on collection work into the..... sub-taluk, of which he happened to be in temporary charge, owing to the absence of the Deputy Amildar on a short casual leave. The *post mortem* report reached the Amildar in his camp on the night of the 12th. Even then, he failed to take up the investigation of the case himself, which he was bound to do as required by the clear instructions conveyed in the late Chief Commissioner's Proceedings No. 489—11 of the 24th September 1880. The Amildar returned to .....with the Excise Commissioner who was on tour on the 15th. He explains that he escorted the Excise Commissioner back to the..... sub-taluk on the 16th returning to ..... again on the 17th. It was only on the 18th May 1900, or eight days after the reported occurrence, that the Amildar, and that too after being told to do so by the Superintendent of Police, chose to take the investigation of the case into his own hands. He submitted a final report charging four persons as having been concerned in the murder. The Magistrate who held the preliminary inquiry remarks that "no clue was obtained till the 22nd May, on which date the 2nd and 3rd witnesses for prosecution are alleged to have given information before the Amildar connecting the accused persons with the offence." The Magistrate who disbelieved these witnesses further remarked that there was "not a particle of evidence worth the name," and discharged all the four accused.

2. The Amildar was on the spot, as already observed, when the case was first reported and it was a grave dereliction of duty on his part not to have personally inspected the corpse. The Amildar ought to have known that the work of escorting an Administrative officer on tour should have been subordinated to the prompt discharge of the important duty required by Government orders already referred to, in regard to investigation of grave crime, and cannot be accepted as an excuse for a direct violation of the terms of that Government Circular. If the Amildar had, as he ought to have, informed the Excise Commissioner that he had a murder case to attend to urgently, the escort duty would have at once been dispensed with by the Excise Commissioner. The Inspector of Police was not in the station, and this should have led the Amildar to feel that the responsibility for his conducting the investigation in person was consequently increased. The object of making the Amildar Head of the Taluk Police was that thereby his influence may be brought to bear on the investigation of grave crime, and if the Amildar chooses to delegate his duty in this important respect to a subordinate officer like the jamadar, although he was himself present in the town when a foul murder had been reported, and has thereby, as is the case in the present investigation, contributed to the collapse of the case, his conduct is calculated to defeat the object Government had in view in adopting the present system of Police Administration for the State. Amildar.....'s conduct in the case calls, therefore, for severe notice, and Government direct that as a punishment his promotion be withheld for two years. Government regret to observe that the District Magistrate also had failed in the first instance to realize the gravity of the Amildar's conduct. It is unfortunate that the Inspector and the Deputy Amildar were both given leave and allowed to absent themselves at one and the same time leaving the Amildar alone in the charge of this large and important taluk.

ORDER THEREON—Government regret to observe that this important report is incomplete owing to the non-receipt of information from the taluks of Yedatore, Heggaddevankote and Nagamangala. The Deputy Commissioner will be good enough to obtain and submit the explanations of the Amildars concerned for their failure to submit the Season Reports of their taluks for embodiment in the District Season Report. Letter No. 624, dated 31st January 1901, from the Deputy Commissioner, Chitaldrug district, soliciting sanction to the appropriation for cultivation purposes of 4 acres and 25 guntas of land out of gomal Survey No. 72 in the Chikkasiddavanahalli, Hiriyur taluk.

No. 7228-35—R. 2526, DATED BANGALORE, 14TH MARCH 1901.

ORDER THEREON—On the 25th March 1895, one Imam Sabi put in a petition to the Amildar of Hiriyur complaining that Basappa, holder of Survey No. 123 of the Chikkasiddavanahalli village, had unauthorisedly planted up a portion of the adjoining gomal Survey No. 72. The mojanidar, on examination of the land, found that Basappa had encroached upon 10 guntas of No. 72 and planted it up with cocoanut and other trees. The matter was brought on the Takrar Takhta for the year 1897-98 and the Jamabandi Officer ordered that the whole number should be re-measured on the old lines as per Tippan. The District Surveyor, who measured the land, found that 11 guntas out of No. 72 had been unauthorisedly planted up. He reported that the khatedar of No. 123 had been in the enjoyment of the portion in question for the past 10 or 12 years and that he requested that 4 acres and 25 guntas out of the gomal number, including the 11 guntas in question, might be given to him for cultivation. The Deputy Commissioner thereupon observed that although the khatedar was liable to pay kandayam at the rate of Rs. 1-4-0 on the 11 guntas from the time of the Survey Settlement, it was enough to levy from him the amount due for six years only, *viz.*, Rs. 7-8-0, and he directed the Amildar to submit a proper statement with other records in respect of the grant of the land prayed for. The Amildar submitted the statement, &c., called for and the Deputy Commissioner now recommends the grant of the land, *viz.*, 4 acres and 25 guntas.

2. Government observe that much of their time and labour would have been saved if the Deputy Commissioner had, as he ought to have done, taken the trouble of reporting the facts of the case with the grounds for his recommendation. (*Vide* G. O. No. 12123-66—G. 2563-92, dated 9th January 1893). His report is very meagre. In fact it is a formal report of the kind made in ordinary gomal cases. Much of the information required has had to be obtained from the vernacular record. Since there is no particular urgency in this case, which the local authorities have allowed to drag on for nearly six years, the records are remitted to the Deputy Commissioner for a detailed report with grounds for his recommendation. Even if the encroachment was *bona fide*, it is not clear why only six years' assessment should be levied instead of assessment for the entire period of enjoyment. Under Section 59 of the Land Revenue Code, assessment for the entire number for the whole period of occupation with a fine is leviable. The proceedings are, on the whole, unsatisfactory.

READ THE FOLLOWING—

Letter No. 56, dated the 9th February 1899, from the Superintendent of Inam Settlements in Mysore, to the Secretary to the Government of Mysore, General and Revenue Departments.

I have the honor to report further on the Inam Settlement of the Sringeri Jaghir which has already formed the subject of Orders and Proceedings of Government as per margin.

No. 4—R. F. 120 of 29th September, passing Sringeri Settlement Regulation.
No. 5286-8—R. 1717 of 15th December 1897, publishing Notification and Rules.

2. In the Notification published under Government Proceedings, dated 15th December 1897, as above, the Rules which have, so far, regulated operations in Sringeri were declared to be provisionally adopted, subject to modifications found necessary on grounds of equity and justice.

3. Now that the completion of the Inam enquiry has afforded further insight into the real nature of the Inams in this Jaghir, I am convinced that, before finally confirming them, some modification of Inam Rule VI of the General Inam Rules of 14th December 1897 will be necessary.

4. The Quit-rent imposed under Inam Rule VI C and, by inference, under clauses D and E of the same Rule, confers full powers of alienation. The effect of applying the same Rule, unmodified, to the Agrahar Inams of the Sringeri Jaghir would be to disrupt the whole system and objects which called forth the grants in question and, at no very distant time, to undermine the influence of the Matt.

5. Although, in the Province generally, full powers of alienation, in consideration of Quit-rent imposed, were granted, it was only as a matter of expediency, and it does not at all follow that the Inam Rules are opposed to granting powers of alienation restricted in accordance with the nature and conditions of the grant. On the contrary, Inam Rule XIV defines the Quit-rent imposed under the Rules as a consideration required in return for an extension of rights. This is exactly the view which I take of the present case.

6. I propose therefore—

(*a*) That enfranchisement under Inam Rule VI should not be held to confer, necessarily, full powers of alienation but only such powers of alienation as are consistent with the maintenance of the conditions of the grant; and

(*b*) in order that the settling officer may in very exceptional cases adapt the Quit-rent to just such extension of existing rights as he may grant under—(*a*),

that the minimum rate of Quit-rent may be fixed at one anna, instead of two annas as in Inam Rule XV.

7. Under the above ruling Agrahar Inams would be confirmed on a moderate Quit-rent, according to circumstances, if still in the hands of Brahmins, and the alienation would be hereafter restricted to Brahmins only. There would be really no difference in the principle laid down in the Inam Rule VI, excepting that the powers of alienation would be restricted, but the Quit-rent would be reduced in accordance with such limited powers of alienation. Agrahar Inams in the hands of non-Brahmin aliences would be unconditionally enfranchised as they have practically lapsed, so far as service is concerned.

8. In justification of the course I have recommended I will very briefly describe the state of things in the Jaghir.

9. The Inams are, almost without exception, Agrahar. The conditions of religious service are inherent in all and recorded in most grants. In the case of 150 vriths in the Sringapur Agrahar the pattas issued, shortly after Sivappa Naik's settlement, by Sri Sachidananda Bharati Swami, contained the conditions that the grantees might, in case of need or necessity, alienate to their relations, both paternal and maternal, learned in Vedas. The same conditions were attached to 100 vrittis of Vidyarampur Agrahar for which pattas were issued in 1651 A. D. The bulk of the vrittis in the Jaghir were in fact granted under restricted powers of alienation, and there is not the least doubt that similar conditions are inherent in all Agrahar grants. Non-residence in Sringeri Jaghir is *ipso facto* an infringement of the conditions of the grant. If in any case full powers of alienation are found to have been granted, specifically, the Inams will be settled under Inam Rule VI. A.

10. The first step towards checking the abuse of Agrahar Inams will be found in Chief Commissioner's Order of 7th January 1880, commenting on Agrahar grants, in which the principles of their settlement and the necessity of not relaxing the tenure of service are very emphatically laid down. I will not pretend that the order in question ever took practical shape, for, as a matter of fact, it came too late, the Inam enquiry being then near its close and the Government of 1880 was not called upon, as the Government of to-day is, to face the problem of reconciling the Quit-rent imposed with the maintenance of the conditions attached to Agrahar grants.

11. Immediately after the issue of pattas after Sivappa Naik's settlement in 1651, the alienation, quite unauthorized, of Agrahar Inams commenced and has continued more or less ever since, but it is worthy of note, as showing how well the conditions of the grants were really understood, that, notwithstanding the laxity of the Matt authorities, there are at present only three non-Brahmin aliences, although it is true the number of vrittis

acquired by one of these is considerable. Sivappa Naik, hard as he was upon the wargdars when he defined the gardens by metes and bounds and put the Inamdars in possession, never, I imagine, contemplated the abuse of these Agrahar Inams which we now find has taken place.

12. If the Matt authorities have been lax, as no doubt they have been, the Inamdars have been aggressive and simply wore out the resistance of the Matt by persistent infringement of the conditions on which they held their land Inams or paddy payments. The Matt certainly registered alienations and gave them a place in the public accounts, but in almost all cases, I believe, after the event. During the last 50 years at any rate alienations of Agrahar Inams were made and then the Matt authorities had to note them. Before that time I believe the formal sanction or rather the recording in the accounts by the Matt was sometimes obtained beforehand.

13. There have no doubt been faults on both sides, but it appears to me preposterous that the Matt should lose not only its Inams, to the extent of more than half the revenue of the Jaghir, but also the services for which they were granted, for there can be no doubt that if the whole of these Agrahar Inams become authoritatively alienable, as they must be, without the modification of Inam Rule VI, their alienation hitherto slightly curbed by the knowledge that the act was not formally sanctioned, would become universal.

14. The papers, preliminary to the submission of proposals for the revision of the assessment of the Jaghir, are ready and the Inam enquiry has been completed; it only remains to confirm the various Inams, a stage in the complicated operations of this settlement which should be early completed so as to get on with the work of allocation Rules for which, as per para 2 of Notification of 15th December 1897, will very shortly be submitted.

(2) Letter No. 1055—R. 323, dated the 31st July 1900, from the Secretary to the Government of Mysore, General and Revenue Departments, to the First Assistant to the Resident in Mysore.

Adverting to this office letter No. 40—D, dated 15th February 1898, *in re* the passing of the Sringeri Jaghir Inam Settlement Regulation IV of 1897, I am directed to request the favor of your obtaining the sanction of the Government of India, under Article 19 of the Instrument of Transfer, to the accompanying Draft Notification containing a set of Rules proposed to be issued by the Durbar in modification, so far as they may be applicable to the Agrahar Inams in the Sringeri Jaghir, of Rules VI and XV of the General Inam Rules of 1867, sanctioned by the Government of India, Foreign Department, in their letter No. 122, dated 21st April 1868.

2. I am to add that the object and reasons for the proposed modifications of Rules VI and XV above referred to, have been fully set forth in the annexed copy of letter No. 56, dated 9th February 1899 from the Superintendent of Inam Settlements in Mysore, from which it will be seen that the main object of the proposed rules is to restrict the powers of alienation of the donees of these Agrahar Inams or alienees, as the case may be, and to enfranchise such inams at a lower rate of quit-rent in accordance with such restricted powers of alienation, in view to secure a proper fulfilment of the conditions on which the inams were originally granted.

(3) Letter No. 5198—9-98, dated the 10th October 1900, from the First Assistant to the Resident in Mysore, to the Officiating Dewan of Mysore.

I am directed to acknowledge the receipt of your letter No. 1055—R. 323, dated the 31st July 1900, forwarding a Draft Notification containing a set of rules for carrying out the settlement of Agrahar Inams in the Sringeri Jaghir.

2. The rules appear to be reasonable and I am now to convey the sanction of the Government of India to the issue of the Draft Notification, provided that the Governor General in Council retains over it the power and authority which vests in him by virtue of Article 19 of the Instrument of Transfer, dated the 1st March 1881.

No. 7304-13—R. F. 168-1893-94, DATED BANGALORE, 15TH MARCH 1901.

ORDER THEREON—With the approval of the Government of India conveyed in the last of the communications read above, the following Notification containing the aforesaid rules will now be issued and the Superintendent of Inam Settlements requested to take necessary action in the matter.

NOTIFICATION.

No. 7314—R. F. 168-93, dated Bangalore, 15th March 1901.

In exercise of the power conferred by Section 3 of "The Sringeri Jaghir Settlement Regulation, 1897," the Government of Mysore, with the approval of the Government of India, are pleased to direct the following modifications in regard to Rules VI and XV of the General Inam Rules of 14th December 1867, in so far as the same may be applicable to the Agrahar Inams in the Sringeri Jaghir:—

(*a*) Where the grant partakes of the nature of an Agrahar Inam, the conditions implied by such grant, *viz.*, the keeping up of the Agrahara house and the residence in it of a Brahmin fulfilling the objects of the original grant, shall be enforced.

(*b*) Subject to the above Rule, all Inams in enjoyment of grantees, heirs or of alienees claiming by virtue of alienation by grantees or their heirs strictly within the powers expressly conferred by the Sanad and to the extent therein expressly laid down, shall be confirmed free.

(*c*) Inams in the hands of Brahmins holding under an alienation in excess of powers granted, and limits laid down, expressly by the terms of the original grant, shall be confirmed on a quit-rent of one anna for every rupee of assessment.

(*d*) Such enfranchisement shall carry with it the power to alienate to any Brahmin whatever but not to a non-Brahmin.

(*e*) It shall be within the option of the Inamdars dealt with under Rule (*a*) to enfranchise their inams by the imposition of a quit-rent and extend their powers of alienation as provided for in Rules (*c*) and (*d*).

(*f*) Inams in the enjoyment of non-Brahmin alienees, when such enjoyment shall be proved to have commenced more than fifty years before the date of these rules, shall be confirmed on half quit-rent, such enfranchisement carrying with it the power to alienate to Brahmins only.

(*g*) Inams as above but enjoyed by non-Brahmin alienees for a period less than fifty years shall be confirmed on a quit-rent of twelve annas for every rupee of assessment, such enfranchisement carrying with it the power to alienate to Brahmins only.

(*h*) Future alienations of inams which shall not conform to the conditions of the present settlement, shall be liable to be cancelled and the inams resumed; and such act of resumption shall at all times be enforced by the Jaghirdar.

(*i*) All inams granted for the performance of any religious service either at the Matt or elsewhere shall be confirmed, subject to the condition of the proper performance of such service, either by the original grantee or his heirs or his alienees provided such heirs or alienees are fully competent and eligible to perform such services.

(*j*) In all cases where such services shall cease or shall not be performed, it shall be competent to the Jaghirdar to resume such inams and make other efficient arrangements for the performance of the said service.

(*k*) All acts done and orders passed by the Jaghirdar under these Rules shall be appealable to, and liable to be revised by the Government of Mysore, whose decision in any case shall be final.

Letter No 439, dated the 16th December 1899, from the Superintendent of Revenue Survey in Mysore, to the Secretary to the Government of Mysore, General and Revenue Departments.

I have the honor, with reference to the enclosed application, dated 23rd November last, from Dr. Sidney Smith, to be kindly returned, to enquire whether orders of Government have at any time emanated on the subject of the issue of fresh or revised Title-deeds in the case of coffee lands.

2. Government Order No. 6279—R. 135, dated 29th September 1877, precludes the noting by the Inam Department of resignations and resumptions of Inams once they have been confirmed, and I have regarded this Order as in a measure analogous to the case of Coffee Title-deeds.

3. Dr. Sidney Smith is in error in stating that clause 9 of the Decree which was given him in Suit No. 12 of 1890 gives him liberty to have the Title-deeds altered. The clause in question refers to "Pattas" not to Title-deeds.

4. I do not think that so long as the patta is in Dr. Sidney Smith's name the fact of the Title-deed having been issued in the joint names of Dr. Sidney Smith and Mr. B. A. Brito in any way invalidates the title of the former.

5. I shall feel much obliged by being informed whether under the circumstances I am at liberty to issue a fresh Title-deed (after reference to the district authorities) to Dr. Sidney Smith.

(2) Letter No. 491, dated 23rd January 1900, from the Deputy Commissioner, Kadur district, stating that fresh Title-deeds are not issued in such instances but that transfers of coffee estates are merely noted in the Title-deeds once issued, the fact being also noted in the Register kept in the District office.

(3) Letter No. 977-815, dated 10th May 1900, from the Deputy Commissioner, Shimoga district, stating that there is no instance of a fresh Title-deed having been issued in place of the original, that as a Title-deed conveys a higher proprietary right than a patta, it does not appear that Dr. Sidney Smith has a right to ask for the cancellation of the existing Title-deed and the issue of a fresh one in his name, and that if the coffee land is considered as an occupancy of unalienated land—though under a special tenure Dr. Sidney Smith will, under Section 67 of the Land Revenue Code, have a right to have the registry altered into his name under the decree.

(4) Letter No. 132, dated 18th August 1900, from the Deputy Commissioner, Hassan district, stating that the practice of issuing fresh Title-deeds in cases of the kind in question, does not obtain in his district.

(5) Letter No. 243, dated 10th October 1900, from the Deputy Commissioner, Kadur district, to the Secretary to the Government of Mysore, General and Revenue Departments.

In reply to your docket No. 2656—R. 873, of the 21st September 1900, regarding the application of Dr. Sidney Smith of Bombay for the grant of fresh Title-deeds in respect of certain coffee lands, I have the honor to state that lands covered by Title-deeds, Nos. 34—4, 35—4 and 36—4 are as follows :—

(1) Title-deed No. 34-4—Survey Nos. 49, 52, 53, 54 and 55 of Nandigave village, Yedahalli sub-taluk.
(2) Do No. 35—4—Do 1, 11, 23 and 29 of Dandbithara village do.
(3) Do No. 36—4—Do 2, 3, 4, 5, 7, 8, 9, 10, 12, 13, 14, 15, 16, 18, 20, 21, 22, 24, 25, 26, 27, 28, 30, 31, 32, 33, 34, 35, 36 and 39 of Danbithara village, do.

2. As directed by Government, extracts from the Khetwar and Khate Registers of the two villages relating to the lands in question are herewith forwarded.

3. *Nandigave Village.*—In the Khate Register of 1881-82, Mr. B. A. Brito is noted as the khatedar of 600 acres of coffee land out of Survey No. 49, which was in accordance with the coffee settlement of 1881-82. This extent continued in his khate till 1888-89. In the year 1889-90, re-survey of this land was made, and Survey Nos. 49, 52, 53, 54 and 55 measuring in all 827 acres and 29 guntas with an assessment of Rs. 1,241 were registered in the joint names of Mr. Brito and Dr. Sidney Smith. Title-deed No. 34—4, dated 20th August 1889, was issued by the Survey Superintendent's office. This continues up to the present date.

4. *Dandbithara Village*—In the Khata Register of 1881-82, which was prepared in accordance with the coffee settlement, Mr. B. A. Brito is noted as the Khatedar of Survey Nos. 2, 3, 9 and 10 measuring in all 1,758 acres and 11 guntas assessed at Rs. 1,624. This remained unchanged till 1888-89, though the area of Survey No. 9 was slightly altered in 1887-88. After re-survey of the lands in 1889-90, 34 Survey Nos. in all measuring 3,240 acres and 11 guntas, assessed at Rs. 4,536-8-0 were registered in the joint Khata of Mr. B. A. Brito and Dr Sidney Smith. Two Title-deeds Nos. 35—4 and 36—4 were also issued by the Survey office. This is in force till now and there has been no change. In the Khetwar prepared in 1884-85, Mr. B. A. Brito is shown as the Anubhavadar (enjoyer) of Survey Nos 2, 3, 9 and 10 and one Coelho is noted as the Khatedar of Survey Nos. 2 and 3; and (1) Hiriyanappa, (2) Murigappa and (3) Surappa, as the Joint Khatedars of Survey Nos. 9 and 10. But the Khata is not in the names of these persons. The Khetwar of 1889-90 contains the joint names of Dr. Smith and Mr. Brito as the Khatedars.

5. There are no references in the sub-taluk office to show that pattas were issued, but on referring to the copy of sale-deed of 1877 (filed in the Lakvalli Sub-Registry office), executed by the widow of Coelho in favor of Mr. Brito, it is found that pattas were issued. Copies are not available. Enclosures are herewith returned.

(6) Memo No. 62, dated the 4th January 1901, from the 1st Assistant to the Resident in Mysore, forwarding correspondence showing that in the Province of Coorg, fresh or revised Title-deeds are not granted for coffee lands, nor is the change of names recorded in the original Title-deeds in cases of transfers, that pattas are also granted for coffee lands in the form of Title-deeds, and that in Wynaad, special pattas are granted for coffee lands once for all to the first purchaser, and that when a transfer takes place the number and year of the special patta is inserted in the ordinary Raiyatwari patta of the transferee.

No. 7503-11—R. 2612, DATED BANGALORE, 20TH MARCH 1901.

ORDER THEREON—In August 1889, the Superintendent of Revenue Survey issued three Title-deeds Nos. 34—4, 35—4 and 36—4 in the joint names of B. A. Brito and Dr. Sidney Smith of Bombay for the coffee lands referred to in the Kadur Deputy Commissioner's letter. In July 1891, Dr. Sidney Smith obtained a decree against Brito in the Court of the District Judge, Nagar Division, for the possession of the lands. The decree directs that "all pattas of the estates "referred to in the schedule annexed thereto shall be delivered to Dr. Sidney "Smith, who shall be at liberty to have them altered and renewed in his name "alone." Dr. Sydney Smith states that as long as the Title-deeds stand in the joint names of himself and Brito, his own title to the lands will be defective, and therefore requests the issue of fresh Title-deeds in his own name as authorized by the decree.

2. On a careful consideration of the question, and having regard to the existing practice in the State and to the practice obtaining in other Provinces, the Government observe that no fresh Title-deeds should be issued in cases of transfers by private sale or other transaction, Court decree, inheritance, &c., nor alterations made in the original Title-deeds. The decree of a Court should be recognized by noting transfers or mutation of names in the pattas, which should be regularly issued, as well as in the Khetwar and Khata. Pattas should be altered to accord with such alterations as may be made from time to time in the Khetwar and Khata.

No. 7473-81—R. 2601, DATED BANGALORE, 20TH MARCH 1901.

ORDER—Recommendations are from time to time sent up to Government for the transfer of Amildars or Deputy Amildars on either public or private grounds. Government observe that, except in cases of extreme urgency, it would be more convenient and satisfactory if such matters are in future dealt with comprehensively once a year than very much oftener as heretofore. They accordingly direct that all such proposals be submitted hereafter on or before the 15th June of every year with a confidential report of the grounds in support of the same. In this connection the attention of Deputy Commissioners is invited to Article 578 of the Mysore Service Regulations, under which an officer in superior service is not entitled to travelling allowances for a journey on transfer from one station

to another, if he is transferred at his own request or in consequence of misconduct, and that such allowances are admissible only when the journey is due to a transfer ordered on account of the exigencies of the public service.

The following communications in regard to the proposed restoration to the temple of Jettangi Rameswaradevaru at Ramasagara in the Molakalmuru taluk of certain Jodi lands in the same village, which were formerly in the enjoyment of the temple but subsequently resumed to Government in 1882 :—

Letter No. 941—890, dated the 15th April 1898, from the Deputy Commissioner, Chitaldrug district, to the Secretary to the Government of Mysore, General and Revenue Departments.

I have the honor to state that there is a temple upon the summit of a hill within the boundary of Ramasagar village, Molakalmuru taluk, dedicated to Jettinga Rameshwar, and close to the temple is an inscription of Asoka's. Proper arrangements have been made for conserving the latter. The temple too appears to be of Buddhistic origin, but is at present devoted to Siva, and regular worship is performed in the temple. The building requires some repairs and on that subject I am making a separate reference to the Secretary to Government in the Muzrai Department.

2. Jodi lands as described in the margin, 1,747 acres and 17 guntas in extent and bearing an assessment of Rs. 643-8-0, were assigned as inam to the temple, a combined quit-rent of Rs. 74 being payable to Government upon them till the year 1880-81 ; this jodi was paid and the produce of the inam lands were utilized for services performed in the temple. In that year a sum of Rs. 504-4-0 was made payable by the inam-holders in addition to the former quit-rent as revenue due to Government on account of excess area found in the land actually enjoyed by the managers of the temple. If the demand had been made in ordinary years, the managers would have been able to pay the excess demanded for a year or two and then to agitate about it. But coming as it did on the very heels of the famine of 1876-78, they found themselves unable to meet the increased demand. The lands were therefore resumed to Government.

	Area.		Assessment.		
	A.	g.	Rs.	a.	p.
Dry	1,716	15	523	4	0
Rice	1	24	5	0	0
Gardon	29	18	115	4	0
Total ...	1,747	17	643	8	0

3. It speaks volumes for the high esteem in which the shrine is held, that, in spite of this total extinction of the resources allowed by Government for the maintenance of the temple, it is still maintained and regular service is performed so far as that can be done from the precarious income the pujaris derive from the devotees of the temple. The temple itself is a beautiful building situated in a very picturesque spot, and it is a pity to neglect it any longer.

4. I therefore beg to recommend that the inam lands be restored to the temple. Out of the total extent above mentioned, 951 acres and 25 guntas of land is in the occupancy of raiyats. Every one of them has, however, consented to give it over to the temple. The villagers have given guarantee that on the restoration of the inam lands service will be rendered upon the old scale, details of which are given in the mutchalika executed by them.

5. The Molakalmuru Amildar's report No. 584, dated 25th March last, together with its enclosures, is submitted for the information of Government.

(2) Docket No. 708, dated 13th December 1898, from the Muzrai Secretary to the Government of Mysore, to the Deputy Commissioner, Chitaldrug district.

Correspondence ending with Deputy Commissioner's No. 1167—1193, dated 30th June 1898, to Secretary to Government, General and Revenue Departments in regard to the proposed restoration of certain lands as inam to Jettangi Rameswara temple near Ramasagar.

Adverting to the marginally noted correspondence which has been referred to this office, has the honor to call for further information on the following points :—

(1) What were the particular fields (7 Survey Nos. in all measuring 116½ acres) that had been confirmed as inam to the temple at the time khalsat was imposed in 1880-81 ?

(2) Are these 7 Survey Nos. now under cultivation ? If so, in whose occupancy are they ? and what is the annual yield of the lands ?

(3) Have the managers of the temple any documentary evidence to show that the entire extent of 1,747 acres and 17 guntas of the lands under advertence were in the enjoyment of the temple from time immemorial ?

2. The vernacular records are herewith returned for reference and re-submission with a brief report on the foregoing points.

(3) Letter No. 770—25, dated 24th March 1899, from the Deputy Commissioner, Chitaldrug district, to the Muzrai Secretary to the Government of Mysore.

With reference to your docket No. 708, dated the 13th December last, calling for certain information regarding the proposed restoration of certain lands as inam to the temple of Jattinga Rameswara near Ramasagar in the Molakalmuru taluk, I have the honor to furnish the following information on the several points therein referred to:—

2	22	10	26	0	0

2. (i) The seven survey numbers measuring in all 116 acres and 15 guntas are as noted in the margin.

Survey No.	Name of the holders.
1	Basavangauda.
3	Dod Hanumantha.
31	Bilaga.
106	Muradiga.
107	Rama.
113	Biliyya.

(ii) With the exception of Survey No. 2, these lands are in the occupancy of private individuals named in the margin. What the actual annual yield of these lands is cannot easily be ascertained as they have now ceased to be inam lands and are in the holding of private individuals.

(iii) The Amildar reports that the managers of the temple have no documentary evidence to show that the entire extent of 1,747 acres and 17 guntas of the lands under advertence was in the enjoyment of the temple from time immemorial, but that the "Pujaris" of the temple state that they had five metallic inscriptions in Devanagari character, said to have been granted by the Princes of the Vijayanagar dynasty, that two of which were in 1891-92 taken by Mr. L. Rice, Director of Archæological Researches in Mysore, for reference and the remaining inscriptions are not also with them, they having been given over to one Krishna Rao for transliteration. The shanbhog of the village has produced from his records two old but unauthenticated copies of paimaishi chittas purporting to have been prepared in the year Akshaya about 92 years ago by one Hanumantha Rao. He states that these accounts are probably copies of original accounts sent to the Taluk office. Of these chittas one relates to Sircar lands of Chirhalli and the other to the inam lands granted to the temple in question which are situated in Ramasagara village. The village now known as Ramasagara appears to comprise the Sircar and the inam lands above referred to. One or two sheets of the chitta relating to the inam lands are wanting to form a complete chitta. Yet the remaining sheets mention 43 fields as belonging to the temple. These fields are shown as boundaries of Devasamudra, Virapura, Gowrasamudra, &c., from which it may be inferred that the fields in question extended as far as those villages. Moreover the lands in question form one compact block and are bounded by Lingamudra stones, &c., which still exist thereon as may be seen from the accompanying rough sketch submitted by the Amildar. These circumstances point, to some extent, the lands in question having been originally enjoyed by the temple as inam. The old records connected with these lands are not traceable and they appear to have been destroyed. The Akshaya paimaishi accounts and other records that may be found in the Government office records may perhaps throw additional light on the question of enjoyment of the lands in question by the temple as inam from time immemorial.

3. I beg to state that in this case the difficulty existing in regard to the production of documentary evidence regarding the enjoyment of these lands deserves to be taken into consideration. That the land was enjoyed as inam prior to the Survey Settlement, is proved beyond doubt, and if any warrant is wanted for it, the boundary stones, referred to by the Amildar, furnish it.

4. The vernacular records received with your docket and the Amildar's report, dated 22nd January 1899, with its accompaniments as per ferist, are herewith submitted for reference.

(4) Letter No. 1385, dated 30th June 1899, from the Muzrai Superintendent in Mysore, to the Secretary to the Government of Mysore, General and Revenue Departments.

I have the honor to reply to your docket No. 607—R. 251, dated 22nd July 1898, forwarding for expression of my opinion, a file of papers ending with docket No. 1167—1103, dated 30th June 1898, from the Deputy Commissioner, Chitaldrug district, recommending the restoration to the Sri Jettangi Rameswara temple at Ramasagara in the Molakalmuru taluk, of certain lands formerly enjoyed as inam by the institution.

2. In explanation of the delay in replying to your communication cited above, I beg to state that the papers received therewith did not contain full information to enable me to form my opinion on the subject and that therefore I had to call for a further report from the Deputy Commissioner, on certain points and also for a copy of the Inam Settlement Register from the Inam Superintendent. The Deputy Commissioner's further report and the copy of the Inam Register having been since received, I now proceed to record my opinion on the subject under advertence.

3. The facts of the case are as follow:—

During the Inam Settlement which took place in the year 1868, lands measuring 5 kandis and 14 kolagas and assessed at Rs. 102-3-6, as detailed below, * were confirmed as inam to the temple subject to the payment of a combined quit-rent of Rs. 74. The Survey Settlement took place in the year Pramoduta (1870-71) and the temple inam lands were then divided into 51 Survey numbers measuring in all 1,747 acres and 17 guntas and assessed at Rs. 643-8-0. The temple continued to enjoy the entire extent of 1,747 acres and 17 guntas as inam, paying only a quit-rent of Rs. 74, in addition to local and irrigation cesses on the lands amounting in all to Rs. 121-11-9, until the year Vikrama, (1880-81). In that year, when dealing with the excesses in the minor inams in the taluk, the Survey Department confirmed as inam to the temple only seven out of the aforesaid 51 Survey numbers comprising an area of 116 acres and 15 guntas, and assessed at Rs. 149, subject to the annual payment of Rs. 83-12-0 to Government; and the remaining 44 Survey numbers measuring 1,631 acres and 2 guntas, were treated as Sirkar lands and fully assessed to the amount of Rs. 494-8-0. By this arrangement, the temple had to pay to Government Rs. 504-4-0 a year (as shown below †) more than the amount originally imposed at the Inam Settlement of 1868. Thereupon the manager and the pujaris of the temple presented a petition, dated 18th December 1881 to the then Deputy Commissioner of Chitaldrug district, protesting against the levy of the additional assessment charged on the inam lands, on the ground that the entire extent of the lands had been in the temples enjoyment from time immemorial, that the originally recorded extent was only an approximate area (ಶೋರುಬೀಜವರ) and that the extent of inam confirmable to the temple should be fixed only with reference to the actual enjoyment in the past, and that therefore, the entire extent, *viz.*, 1,747 acres and 17 guntas, should be confirmed to the temple as inam. The petitioners further stated that they were unable to pay the large additional amount charged on the lands, and that if the entire extent could not be continued as inam to the temple, the whole might be resumed to Government. But the Deputy Commissioner (Mr. D. Namakal Rao) in his Order No. 83, dated 28th April 1882, declined to disturb the settlement made by the Survey Department, and directed the resumption of the entire extent. The present Deputy Commissioner, Mr. M. S. Narayana Rao, now recommends that the whole extent of 1,747 acres and 17 guntas resumed to Government in 1882 may be restored as inam to the institution, subject to the payment of quit-rent of Rs. 74 originally imposed at the Inam Settlement of 1868.

4. The restoration of the resumed inam does not appear to have been applied for by the managers or other devotees of the temple; but the Deputy Commissioner himself urges the question, probably having been impressed with the importance of the temple on a personal inspection of the institution. But since the resumption of the inam under the Deputy Commissioner's Order of 1882, above referred to, most of the lands have been taken up by the raiyats on darkhasts, and these are now in their occupancy. The Deputy Commissioner in para 5 of his first letter to Government in the General and Revenue Departments No. 941—890, dated 15th April 1898, reported that every one of the raiyats occupying the temple lands had agreed to give up his holding to the institution in case the lands be re-granted as inam to the temple. But in the further enquiry instituted on the reference made to the Deputy Commissioner from this office, the raiyats have deposed expressing their unwillingness to give up possession of the lands themselves to the temple or to have their rights in respect thereof in any way restricted; all that they say is that they have no objection to the lands being registered as inam to the temple so that the kandayam which is now being paid to Government may go to the temple. Considering that these lands have remained under resumption for upwards of 17 years, and that subsequent to the resumption several private rights in respect thereof have sprung up, I am unable to support the Deputy Commissioner's recommendation for the absolute restoration of the lands themselves as inam to the temple.

5. But, however, having regard to the great importance of the temple as reported upon by the Deputy Commissioner and also to the facts that the managers of the temple were obliged to resign the extensive inam lands solely because of their inability to pay the very large addition made to the original quit-rent, and that in spite of the resumption of the entire inam lands by Government, the devotees have been keeping up regular worship in the temple, I would recommend that the institution be endowed with a Ready Money Grant equivalent to the net value of the inam finally confirmed to the temple in the year Vikrama, such value being Rs. 65-4-0 as explained below:—

	Rs.	a.	p.
Assessment on the 7 Survey numbers, measuring 116 acres and 15 guntas, finally confirmed as inam to the temple in 1880-81	149	0	0
Deduct—			
Quit-rent, &c., payable to Government on the above ...	83	12	0
Difference representing the net value of the Inam grant ...	65	4	0

or *Rs. 66* in round figures.

If this cash grant be sanctioned to the temple, it will give to the institution a monthly allowance of Rs. 5-8-0 which might go a great way to meet the lighting and paditara charges. There have been precedents for such concessions to important temples; and as an instance thereof, I beg to invite reference to the orders contained in Proceedings No. C. 781-3, dated 11th July 1885, a copy of which is herein enclosed for ready reference.

6. The entire records of the case ending with the Deputy Commissioner's letter to this office No. 770—25, dated 24th March 1899, and its enclosures, are herewith forwarded.

(5) Letter No. 1223, dated 15th September 1899, from the Director of Archæological Researches in Mysore, to the Secretary to the Government of Mysore, General and Revenue Departments.

As requested in your letter No. 2018—R. 660 of the 5th instant, I have the honor to forward the two copper sasanas of the Jatangi Rameswara temple, belonging to Ramasagara village in Molakalmuru taluk, together with transcripts in Kannada characters and translations in English. The inscriptions themselves, though in Nagari characters, are in the Kannada language, and contain many mistakes. The ring on which they are strung bears a figure of Nandi as a seal. The ring is cut and can only belong to one of the plates, if to either. In case it is the genuine ring of either, it must belong to the earliest in date, as the Vijayanagar seal is quite different. Who Vira-Bhupati-Vodeyar was, that made the first grant, is not clear, as he gives no particulars whatever regarding himself. Devaraya, who made the second grant was a Vijayanagar King. But neither of the grants is expressed altogether in the manner to be expected from such as have passed through the hands of this Department, and the dates in both are wanting in the day of the week, which is necessary for verifying them.

(6) Letter No. 730—695, dated 14th April 1900, from the Deputy Commissioner, Chitaldrug district, to the Secretary to the Government of Mysore, General and Revenue Departments.

With reference to your docket No. 2019—R. 661, dated 5th September last, I have the honor to state that I inspected the Lingamudre boundary marks referred to by the

Amildar. A copy of a memorandum showing the result of that inspection is herewith forwarded, from which it will be seen that with the exception of one marked "M" in the sketch, there is no doubt whatever about their genuineness. The doubt about mark "M" does not affect the merits of the case. The survey numbers claimed for the temple are all within these marks and the Rules for assessment of excess in inams do not apply to this case.

2. A sketch of the lands showing the boundary marks is forwarded herewith and the vernacular records re-submitted.

3. The delay in submitting this report was due to my not being able to visit this taluk till now, owing to outbreak of plague in Davangere and Harihar and to pressing work in other parts of the district.

Memorandum.

I inspected the Lingamudre and other boundary marks situated round the lands in the Ramasagara village, Molakalmuru taluk, which are claimed as the inam lands of the Jattangi Rameswara temple. A description of them is given below :—

A. On the west of the road from Chitaldrug to Bellary, Linga cut on a boulder.
B. On the east of the said road, Linga mark cut on a boulder.
O. To the south-east of B near the corner of Survey No. 105, Linga cut on a boulder.
P. Linga and Basava cut on a boulder near bend of Survey No. 6.
C. Linga cut on a boulder a few yards beyond Ramasagara boundary.
D. Linga cut on a boulder near trijunction, between Vitlapur and Devasamudra.
E. Linga cut on a boulder near trijunction between Vitlapur and Venkatapur.
Q. Linga cut on boulder near stream, trijunction between Venkatapur and Machenhalli.
F. Linga cut on boulder on the side of hill called Benakanbetta.
G. A stone with Linga cut on it lying flat on the ground apparently for a long time.
H., I. & J. Linga cut on boulders near the village.
K. Linga cut on a stone planted in the ground, stone measuring about four feet above ground.
L. Not inspected by me as not very material.
M. A stone with a trisula inscription and the words ಸಚಿವಸಾಸ lying loose near the corner bandhs at the point shown in the sketch.

No. 7699-701—R. 2678, dated Bangalore, 27th March 1901.

Order thereon—The policy of the Government has been clearly to treat Devadaya Inams liberally. Even the treatment of excesses and the imposition of additional khalsat have been held in abeyance with the ultimate result of such arrears being possibly struck off. The Inam lands in question have been undoubtedly in the long enjoyment of the temple which, locally, is held in great reverence. The boundaries of the lands have been defined by Linga Mudre stones, the existence of which has been certified to by the Deputy Commissioner. The enjoyment of the lands by the temple and the existence of these stones indicate the probability of the *sasanas* being genuine. Under all the circumstances of the cases, the Government are pleased to confirm the whole of the lands measuring 1,747 acres and 17 guntas and assessed at Rs. 643-8-0, as Jodi Inam to the temple, subject to the payment of the original quit-rent of Rs. 74 with the usual cesses, the excess charged on the lands in 1880-81, *viz.*, Rs. 504-4-0, being remitted and written off the accounts.

FINANCIAL

Proceedings of the Government of Mysore,

No. 6750-90—Fl. 679, dated Bangalore, 5th March 1901.

Order—The Provincial budget and the budgets of the several Departments of the State, for the year 1900-1901, were sanctioned at a time when the present financial pressure was not foreseen. Every item therein provided for should not be expended as a matter of course, but all Heads of Departments and Deputy Commissioners are requested to see that no expenditure is incurred out of budget grants unless absolutely unavoidable. The existence of a budget allotment should not *per se* be taken to justify its full utilization. It is hoped that all officers concerned will cordially help the Government in curtailing expenditure as far as possible and will thus show at the end of the year a substantial saving in their respective budgets. In the budgets for the next and future years only items which are indispensable should be provided for, instead of past year's grants being repeated as has nearly always hitherto been the case. The extent to which saving has become possible out of the current year's budget grants and that to which reduction will be proposed in those of future year's budgets, more especially in those of the next two or three years, should be specially reported for the information of Government as early as practicable.

Order—Applications for the grant of house-building advances under revised Article No. 136 of the Civil Account Code, Volume I, 5th Edition, and under special orders issued by Government, are now being received and sent up freely from various quarters for Government sanction, which cannot be expected as a matter of course at all times and in all cases. There have been several instances in which sanction had to be refused as the applications did not come within the purview of the Codal Rules and of the special orders. Even as regards applications which do fall under them, there should be a limit, which, under the present state of finances, is absolutely necessary. Government cannot afford to be liberal now and would therefore discourage these advances as much as possible for some time to come, granting them only *in very special and needy cases.* Heads of Departments are requested to note the present intention of Government and exercise due discrimination and care in sending up these applications in future.

Para 2 of Government Proceedings No. 5606-5645—Fl. 560, dated 31st January 1901, ordering that in the case of an officer supplied with Government tents, he must be required to certify that they were issued solely for public purposes, if full cost of carriage is claimed, or that the whole or half the cost of carriage has been defrayed by himself according as such tents were used wholly for private purposes or partly for office and partly for private purposes.

READ —

Letter No. 687—553, dated 21st February 1901, from the Deputy Commissioner, Shimoga district, stating that the above rule is attended with hard consequences as explained by him and suggesting that the rule in question may be modified to the effect that when a tent is carried solely from the beginning for the private use of any officer, the cart-hire should be paid by him, and that if tents originally taken out wholly or partly for office and official use are occupied by an officer at nights or for members of his party, he should pay either half the cost of carriage or the amount of the fee due for occupying a room in a second class bungalow whichever may be less.

No. 6891-930—Fl. 683, DATED BANGALORE, 6TH MARCH 1901.

ORDER THEREON—Government have enunciated no new principle nor laid down any new rule in the above Proceedings. They have simply repeated what the Mysore Service Regulations already contain, *viz.*, the provisions of Article 538 (*a*), (*b*) and (*c*), which correspond to Article 1141 (*b*), (*c*) and (*d*) of the British Service Regulations. The hypothetical cases put forward by the Deputy Commissioner seem to be extreme cases. Moreover, no officer has a right to expect a Government travellers' bungalow to be ready for him wherever he goes, or anywhere at all. Lastly, the present rates of batta have been so regulated as to cover all reasonable expenses including the cartage of tents used partly or wholly by officers. No amendment of Article 538 (*a*), (*b*) and (*c*) or modification of the Government Order read above, which simply emphasizes the rules in that Article, seems called for as suggested by the Deputy Commissioner.

I have the honor to state that the First Assistant to the Resident sent a requisition to the Amildar of the Mudgere taluk to advance Rs. 1,500 on account of the Honorable the Resident's tour, and that, in anticipation of the approval of Government, the amount has been advanced.

I solicit orders of Government authorizing me to advance any sum that may be required in connection with the tour which extends till the 11th of February 1901.

(2) Docket No. 6422—Fl. 639, dated 21st February 1901, from the Secretary to the Government of Mysore, General and Revenue Departments, to the Comptroller, Mysore Government.

In forwarding herewith a copy of Kadur Deputy Commissioner's letter No. 426, dated the 22nd January 1901, has the honor to request an early expression of opinion as to how the advance therein referred to may be adjusted under Codal Rules and as to the procedure to be adopted in the case of future advances of the kind, if any.

With reference to your docket No. 6422—Fl. 639, dated 21st February 1901 I have the honor to state that the advances made by Treasuries in Mysore, in connection with the Honorable the Resident's tours in the Province, will be adjusted in the same manner as payments made on account of British Government by District and Taluk Treasuries

are now dealt, *viz.*, through the account of the Honorable the Resident's Treasury, Bangalore, with the State Huzur Treasury. These advances when made may therefore be debited under the head "His Majesty's Treasury Jamakarch Account."

Letter No. 693, dated 26th February 1901, from the Deputy Commissioner, Chitaldrug district, requesting sanction to the retention in service till the end of June 1901 of shroff Narayanaswamaiya of the Hiriyur taluk, whose retirement was ordered in the Proceedings read above, on the ground that on further consideration he is of opinion that the shroff may be allowed to remain in service till that period.

No. 7380-420—Fl. 730, dated Bangalore, 18th March 1901.

Order thereon—The present proposal, made in the second of the letters read above, is sanctioned, with the observation that Government are unable to see why an official now considered still fit for further service was recommended for retirement so far back as in July 1900 on the ground of inefficiency. Such conflicting reports are naturally embarrassing and should be avoided in future by Heads of Departments giving their very careful consideration before making recommendations in the case of officials who have completed 55 years of age.

Order—Government are anxious to deal with the Provincial budget for 1901-1902 in time for its issue before the commencement of that year. They understand that all Departmental budgets were due at the Comptroller's office not later than the end of February 1901. The Comptroller will be good enough to report, as quickly as possible, whether any, and what Departmental budgets are still due at his office. The importance of promptitude and punctuality in the submission of Departmental budgets cannot be too strongly impressed upon all Heads of Departments and Deputy Commissioners in the State. Government hope the Comptroller will, after scrutiny, find it possible to submit his consolidated budget by the 15th of May next at the latest. In the case of such Departmental budgets as require previous sanction before incorporation in the Provincial budget, an abstract of the receipts and expenditure proposed should be furnished by the Heads of Departments concerned simultaneously with the submission of those budgets to Government, and the Comptroller will, instead of waiting for Government sanction, enter those figures in his budget, subject to correction by Government to the extent required.

Letter D. Camp No. 5, dated 9th February 1901, from the Deputy Commissioner, Bangalore district, stating that the batta which the Revenue Probationer attached to the Bangalore district, now gets, *viz.*, 3/10ths of pay, is hardly sufficient to cover his travelling expenses, and recommending that, for reasons given, he may at least be granted batta at Rs. 3 per day, and mileage at six annas per mile when the distance covered exceeds 20 miles.

No. 7620-28—FL. 750, DATED BANGALORE, 23RD MARCH 1901.

ORDER THEREON—In fixing the present pay of Revenue Probationers the cost of their travelling within a limited area (a taluk) was duly taken into consideration. A Deputy Amildari is a promotion to a Revenue Probationer after he fully qualifies himself and when a vacancy can be found for him, and the Deputy Amildar draws no allowances when he travels in his sub-taluk or even an Amildar when he travels in his taluk. A Revenue Probationer's proper place is a taluk, where he should learn work, and not the head-quarters of a district. Under these circumstances, a Revenue Probationer is entitled to no travelling allowance at all when he is attached to a taluk, unless he travels outside the limits of that taluk, while in other cases, the present rules must regulate his travelling allowances. No change is called for.

Proceedings of the Government of Mysore,

Letter No. 4278—221, dated the 12th February 1901, from the Excise Commissioner in Mysore, submitting for approval and publication, draft Notifications for the sale of Arrack Vend Farms and Separate Shops for the year 1901-1902.

SALE OF ARRACK VEND FARMS FOR 1901-1902.

Notification No. 6968—Ex. 342, dated Bangalore, 7th March 1901.

It is hereby notified by the Government of Mysore that the exclusive privilege of selling Arrack in the defined tracts specified in the subjoined *schedule for the twelve months beginning with 1st July 1901 and ending with 30th June 1902, will be sold by the respective Deputy Commissioners or by Assistant Commissioners specially authorized by the Deputy Commissioners for the purpose, at the taluk head-quarters in the respective districts, on the dates specified in the said schedule, subject to the conditions hereinafter set forth. If the sales are not completed on those days, they will be continued on the next following days. Should there be no bids for any of the aforesaid tracts singly, the officer conducting the sale may revise the tracts at discretion, clubbing together more than one tract, or selling the tracts by taluks, or, if necessary reserving special tracts in which there may at present be no shops, for disposal afterwards.

2. The exclusive pivilege above described will be put up to auction, farm by farm, and each farm put up to auction will be knocked down to the approved highest bidder, subject to formal confirmation by the Deputy Commissioner, who will be at liberty to accept or reject the bid at discretion without assigning reasons for the same. Such formal confirmation will, *unless revised by Government for special reasons*, be tantamount to an acceptance of the bid.

3. Parties intending to bid must attend either in person or by duly authorized agents, and no person shall be permitted to bid either on his own behalf or on account of any one else until he has made a deposit of Rs. 200 for each defined tract or farm or such other reasonable amount as may be fixed by the officer conducting the sale. As soon as the auction is completed, the deposits made by the unsuccessful bidders will be returned to them. The successful bidder must, on the farm being knocked down to him and before the next farm is put up for sale deposit a sum equal to $\frac{3}{4}$ths of a month's rent; and within fifteen days from the date of confirmation of sale by the Deputy Commissioner, he must deposit such further sum as, with the

*For Schedule, see Supplemental Gazette, dated 7th March 1901.

former deposit, will make up an aggregate sum equal to two months' rent. If he shall be found to be a foreigner having no property in the Mysore State, or to be of doubtful solvency, he may be required to deposit twice the prescribed sum or to get a surety or sureties to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. If he fails to make any of these deposits or to get the requisite surety or sureties, the deposits already made will be forfeited, and the exclusive privilege will be immediately re-sold or otherwise disposed of as the Deputy Commissioner may direct; and he shall be debarred from bidding again for the same or for any other farm.

4. Re-sales effected under para 3 will be at the risk of the defaulting bidder, who will forfeit all gain, and in the event of a loss by the re-sale, will make good the deficiency between the total amount payable by him for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case, the forfeited deposit will be deducted from the loss arising from the re-sale; and the remainder, if any, will be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by re-sale, the whole of such deposit will be credited to Government.

5. The purchaser of the exclusive privilege shall sign an agreement binding himself and so much of his movable and immovable property as may be deemed sufficient by the Deputy Commissioner for the due fulfilment by the purchaser of the terms of his agreement; and the agreement shall be executed within ten days of the expiry of the period of fifteen days above mentioned. If the purchaser fails or refuses to sign the agreement, all deposits already made will be forfeited; and the exclusive privilege will be re-sold at the risk and loss of the first purchaser as set forth in paras 3 and 4, or be otherwise disposed of. In the case of the purchaser's death after confirmation of the sale, it will be binding on his heirs or assigns.

6. The details of consumption of Arrack in the shops of the existing farms and at depôts the amount of rental of each farm, &c., for several years past are specified in the appended schedule.

7. As soon as the agreement has been executed, the Deputy Commissioner will issue a license in the prescribed form, assigning to the purchaser the exclusive privilege referred to therein, subject to the following conditions:—

(1) The exclusive privilege shall extend only to the sale of Arrack ordinarily of 20° under-proof, and with the special permission of the Deputy Commissioner or other officer authorized by him, to the sale of arrack of 30° under-proof. But it shall not extend to the sale of double-distilled country spirits and other special liquors of whatever strength manufactured at the Government Central Distillery, Bangalore, and which the Foreign liquor shop-keepers alone are permitted to sell.

(2) The amount for which the privilege has been purchased shall be payable into the local Government Treasuries on printed chellans furnished for the purpose by Government, in equal monthly instalments commencing from 1st July 1901; each instalment shall be regarded as the rent for the month in respect of which it is payable. Each month's rent shall be payable on or before the 20th of the same month. If default is made, the Amildar may, with the sanction of the Deputy Commissioner, declare, by record in writing, that the license is forfeited, and proceed to re-sell the farm as soon after the last day of the month as may be possible. Provided, however, that instead of re-selling the farm as above, the Deputy Commissioner may, in his discretion, direct the Amildar to break up the defaulting farm into the existing number of shops within it, and to give each separate shop-keeper a license for the rent he agrees to pay, provided the total of such rents is not less than what the defaulting farmer had agreed to pay.

(3) (*a*) The deposit made by the licensee shall be taken in payment of the instalments due in the last two months of the period of the farm. Provided, however, that where the farm is re-sold or broken up under the provisions of sub-clause (2) above, the deposit shall, at the discretion of the Deputy Commissioner, be either forfeited or be appropriated towards the arrears due by the defaulter, as well as towards the deficits, if any, arising from the re-sale of the farm. The balance of such arrears and deficits, if any, shall be recoverable from the licensee under the rules in force for the recovery of arrears of land revenue. No remission or abatement of the rent or compensation shall, on any account whatever, be claimable by the licensee.

(*b*) Interest at 6 per cent per annum shall be recoverable on all arrears from the date of default, and on deficits from the date of re-sale.

(4) (*a*) The licensee shall purchase Arrack for issue to his shops from the "East India Distilleries and Sugar Factories, Limited," who have been appointed manufacturers of Arrack and other country spirits to the State, or from any Bonded Depôt established under the sanction of Government. The rate to be charged by the said manufacturers, for Arrack supplied by them, shall be 6¼ annas per gallon of 20° under-proof, and proportionate rates for lower strengths in accordance with

Casella's rules. The licensee shall sell arrack to the public at not less than the prescribed minimum rate of Rs. 6-6-0 per gallon of 20° under-proof (*i. e.*, at annas 2 per dram which is equal to $\frac{1}{5}$st part of a gallon), and at proportionate rates for lower strengths.

(*b*) The above rate to be charged by the manufacturers is in addition to excise duty, which shall be prepaid into the local Government Treasury, as per following condition (5), at Rs. 4$\frac{3}{4}$ before the removal of Arrack from the Distillery, or from any Bonded Depôt established under the sanction of Government.

(5) The licensee shall pay the above duty into the local Taluk Treasury and obtain a receipt in the prescribed form. On production of such receipt and an indent for the supply of Arrack covered by the receipt, and on payment of the prescribed price of such Arrack to the manufacturers or their agent, or any person appointed by Government in this behalf, the Supervisor or other officer in charge of the Distillery, or the Bonded Depôt-keeper, as the case may be, shall issue the quantity of Arrack equal to the amount of duty shown in the Treasury Officer's receipt, which will be forwarded to the Excise Commissioner's office under the endorsement of the Supervisor, or other officer, or Bonded Depôt-keeper aforesaid, as to the date and hour when the Arrack was issued. The Supervisor or other officer aforesaid shall issue a pass in duplicate in the prescribed form under the rules in force for the transport of the Arrack from the Distillery. The licensee who obtains arrack from a Bonded Depôt shall pay both the price of Arrack and duty into the local Taluk Treasury.

(6) The licensee in the Bangalore district shall maintain at a place or places within his farm where it may be considered necessary by the Deputy Commissioner, a depôt or depôts to which all Arrack purchased by him shall in the first instance be conveyed in his own casks for verification, &c., of the consignment under the rules in force, before issue to the shop-keepers. The depôt shall at all times be open to inspection by the Deputy Commissioner or any officer of the Excise Department. No such depôt shall be opened without a license from the Deputy Commissioner in the prescribed form. The licensees in the remaining seven districts will draw their supplies from, and deposit the same for issue to their shops in, the existing Bonded Depôts, the cost of the establishments and rent whereof being borne by the Government contractor for carriage of Arrack to Bonded Depôts. Provided however that in the event of the licensees prepaying the duty and price of the whole contents of any casks received from the Distillery, they will be at liberty to distribute the whole quantity at once to their shops or to remove it in their own vessels to any depôt which they may open within their farm under the Deputy Commissioner's license, and issue therefrom the requisite supply to their shops. The licensees of Vend Farms shall be bound to keep in depôts such stock of arrack as may be ordered by the Excise Commissioner.

(7) With the consignments of arrack from the Distillery or Bonded Depôt to Farm Depôts, as well as with those from Farm Depôts or Bonded Depôts to shops, sample bottles shall be issued in such manner as may be ordered by the Excise Commissioner. The arrack kept in Farm Depôts or issued therefrom to shops, as well as the arrack kept in shops or sold therefrom to the public, shall be of the same quality and strength as issued from the Distillery or Bonded Depôt, and shall not be adulterated or diluted in any manner whatever.

(8) The licensee shall keep true accounts of the quantity and strength of the Arrack purchased by him and issued to shop-keepers. The passes issued with the Arrack purchased by him shall be subject to examination and check under the Rahadari rules in force or which may be issued by Government from time to time.

(9) The Arrack shall not be sold except in shops duly licensed by the Deputy Commissioner in the prescribed form, and no new shops shall be opened without the previous sanction of the Excise Commissioner.

(10) The Deputy Commissioner may, whenever he thinks fit, direct any shops to be closed or permit transfers of shops from one place to another.

(11) The licensee shall not, during the term of the license, have any interest in the exclusive privilege of vending toddy in any part of the taluk within which his farm is situated, nor permit any person having interest in the exclusive privilege of vending toddy in any part of the taluk, to hold any share or interest in his exclusive privilege of selling Arrack; nor shall he, during the term of his license, without the written permission of the Excise Commissioner, have any interest, direct or indirect, in any Arrack farm in any districts of the Madras or Bombay Presidency under the British Government or in any other Foreign State or Territory.

(12) The licensee shall be bound to take over any Arrack which may remain as stock in hand belonging to the out-going farmer on the 1st July 1901 in the existing Bonded Depôt in his farm, or in the Farm Depôt, or in his shops, paying to the out-going farmer such compensation for the same as may be fixed by the Excise Commissioner.

(13) The licensee shall be bound by the provisions of the Excise laws and rules in force and by any additional rules which may from time to time be prescribed under the Excise laws. The licensee shall use such measures as may from time to time be prescribed by Government, and provide himself with the prescribed forms of Accounts and permits or passes for the transport of arrack, which forms shall be purchased from the local Excise officers.

(14) The farm shall not be transferable except with the permission of the Excise Commissioner.

(15) Resignations of farms in whole or part will be summarily rejected by the Deputy Commissioner.

8. In case of any breach of the aforesaid conditions or of the license either by the licensee, or with his connivance or privity by any person in his employment, or in the event of the licensee neglecting to open his shops or to carry on the business of his farm with due care and attention, it shall be competent to the Deputy Commissioner to impose upon the licensee a fine not exceeding the sum of Rs. 50 for every such breach of such conditions or for such neglect or at the option of the Deputy Commissioner to declare the money deposited with him forfeited and to cancel the license, and re-sell the exclusive privilege or to otherwise dispose of it, at the risk of the licensee or to place the farm under the management of Government; and all loss thereby caused, together with all losses accruing to Government in consequence of the licensee's neglect to carry on his business by opening his shops on 1st July 1901, should be made good by the licensee. When a farm is cancelled, the rent for the whole period of the farm shall become due at once. All such amounts of penalties and losses shall be recovered in the same manner as if they were the arrears of land revenue.

9. The imposition of a fine or the forfeiture of deposit or the cancellation of the license under the last preceding condition shall not be held to prevent the prosecution of the licensee or his agents or employés for any offence punishable under the Excise laws or other law for the time being in force.

SALE OF SEPARATE ARRACK SHOPS FOR 1901-1902.

Notification No. 6969—*Ex.* 343, *dated 7th March* 1901.

1. Notice is hereby given that the right of selling Arrack in each of the separate shops in the tracts specified in the subjoined *schedule, for the twelve months beginning with 1st July 1901, and ending with 30th June 1902, will be put up to public auction on the dates and at the place named in the said schedule, by the Deputy Commissioner or other officer authorized by him.

2. Each bidder at the auction will deposit a sum of Rs. 60 or such other reasonable amount as may be fixed by the officer conducting the sale, previous to bidding. The shops will be knocked down to the approved highest bidder, subject to formal confirmation by the Deputy Commissioner, who will be at liberty to accept or reject the bid at discretion without assigning reasons for the same. Such formal confirmation will, *unless revised by Government for special reasons*, be tantamount to an acceptance of the bid. Parties intending to bid must attend either in person or by duly accredited agents.

3. As soon as the auction is completed, the deposits made by the unsuccessful bidders, and not forfeited as hereinafter provided, will be returned to them. As the auction proceeds, the person whose bid is accepted for each shop shall at once deposit a sum equal to $\frac{3}{4}$ths of a month's rent for that shop; and within seven days from the date of confirmation of sale by the Deputy Commissioner, he must deposit such further sum as, with the former deposits, will make up an aggregate sum equal to two months' rent. If he shall be found to be a foreigner having no property in the Mysore State, or to be of doubtful solvency, he may be required to deposit twice the prescribed sum or to get a surety or sureties to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. Should he fail to make any of these deposits or to get the requisite surety or sureties, the deposits already made will be forfeited, the shop will at once be re-sold or otherwise disposed of under orders of the Deputy Commissioner, and he will be debarred from bidding again for the same or for any other shop.

4. Re-sales effected under para 3 will be at the risk of the defaulting bidder, who will forfeit all gain; and in the event of a loss by re-sale, he will make good the deficiency between the total amount payable for the whole period under the terms of the original sale and the total amount payable by the successful bidder at the re-sale. In the latter case, the forfeited deposit will be deducted from the loss arising from the re-sale and the remainder, if any, will be recovered from the bidder in the same manner as if it were an arrear of land revenue. Should, however, the forfeited deposit be greater than the loss by re-sale, the whole of such deposit will be credited to Government.

5. Persons to whom shops have been knocked down shall, within ten days of the expiry of the period of seven days above mentioned, take out licenses and execute agreements in the prescribed form, binding themselves and so much of their movable and immovable property as may be deemed sufficient by the Deputy Commissioner for the due fulfilment by them of the

*For Schedule, see Supplemental Gazette, dated 7th March 1901.

terms of their agreement. On the failure of any person to take out licenses or to execute agreements as aforesaid, the shop or shops will be re-sold at the risk of such person, or if the auction hereby notified has already been completed, will be otherwise disposed of at the discretion of the Deputy Commissioner. In the case of the purchaser's death after confirmation of the sale, it will be binding on his heirs or assigns.

6. The amount of rental, the consumption of each shop, &c., for several years past are specified in the appended schedule.

7. The license to be taken out under para 5 above, shall be subject to the following conditions, namely :—

(1) The privilege conferred by the license extends only to the sale of Arrack of the strength of 20° under-proof. But it shall not extend to the sale of double-distilled country spirits and other special liquors of whatever strength manufactured at the Government Central Distillery, Bangalore, and which the foreign liquor shop-keepers alone are permitted to sell.

(2) (*a*) The amount for which the privilege has been purchased shall be payable into the local Government Treasury in equal monthly instalments commencing from July 1901 ; each instalment shall be regarded as the rent for the month in respect of which it is payable. Each month's rent shall be payable on or before the 20th of the same month. If default is made, the Amildar may, with the sanction of the Deputy Commissioner, declare by record in writing, that the lease is forfeited and proceed to re-sell the shops as soon after the last day of the month as may be possible. The deposit made by the licensee shall be taken in payment of the instalments due in the last two months of the period of the lease. Provided, however, that when the shops are re-sold, the deposit shall, at the discretion of the Deputy Commissioner, be either forfeited or be appropriated towards the arrears due by the defaulter, as well as towards the deficits, if any, arising from the re-sale of the shops. The balance of such arrears and deficits, if any, shall be recoverable from the licensee under the rules in force for the recovery of arrears of land revenue. No remission or abatement of the rent or compensation shall, on any account whatever, be claimable by the licensee.

(*b*) Interest at 6 per cent per annum shall be recoverable on all arrears from the date of default, and on deficits from the date of re-sale.

(3) The licensee shall purchase the Arrack to be sold in his shop from the "East India Distilleries and Sugar Factories, Limited" who have been appointed manufacturers of Arrack and other country spirits to the State, at the rate of 6¼ annas per gallon of 20° under-proof delivered at the Distillery, or from a Bonded Depôt established under the sanction of Government. The arrack shall be sold to the public by the licensee at not less than the prescribed minimum rate of Rs. 6-6-0 per gallon of 20° under-proof, (*i. e.*, at annas 2 per dram which is equal to 1—51st part of a gallon).

(4) The licensee of every shop in the towns of Bangalore and Mysore shall pay a registration fee under the Municipal Regulation at the rate of Rs. 180 per annum in advance for the period of the license for his shop ; and he shall pay also a license fee of 4 annas per gallon on all Arrack sold by him in excess of 55 gallons a month in each such shop.

(5) The above rate to be charged by the manufacturers, and the above fee, are in addition to the Excise duty which shall be prepaid as per following condition (6), at the prescribed rate of Rs. 4¾ per gallon of 20° under-proof, before the removal of the Arrack from the Bonded Depôt established under the sanction of Government.

(6) The licensee shall pay the above duty and price to a special shroff appointed in this behalf at the cost of Government and located at the Taluk Cutcherry to receive such duty and price daily, including Sundays and holidays, and shall obtain a receipt in the prescribed printed form. On production of such receipt, and an indent for the supply of the Arrack covered by the receipt, the Bonded Depôt-keeper shall issue the quantity of Arrack equal to the amount of duty shown in the said receipt which will be forwarded to the Excise Commissioner's office under the endorsement of the Bonded Depôt-keeper aforesaid, as to the date and hour when the arrack was issued. The Depôt-keeper aforesaid shall issue a pass in the prescribed form for the transport of Arrack from the Bonded Depôt.

(7) The licensee shall use such measures as may from time to time be prescribed by Government, and provide himself with the printed forms of accounts and permits or passes for transport of Arrack, which forms shall be purchased from local Excise officers.

(8) Resignations of shops in whole or part will be summarily rejected by the Deputy Commissioner.

(9) The licensee shall be bound by the rules in force, and which may be issued from time to time by Government.

(10) The remaining terms and conditions shall be as set forth in the prescribed license.

8. In case of any breach of the above conditions either by the licensee or, with his connivance and privity, by any person in his employment, or in the event of the licensee neglecting to open his shop, or to carry on his business with due care and attention, it shall be competent to the Deputy Commissioner to impose upon the licensee a fine not exceeding Rs. 10 for every such breach or for such neglect, or, at the option of the Deputy Commissioner, to declare the money deposited with him forfeited, and to cancel the license and to re-sell the shop or to otherwise dispose of it at the risk of the licensee; and all loss thereby caused, together with the loss accruing to Government in consequence of the licensee not carrying on his business by opening his shop on 1st July 1901, shall be made good by him. When a shop is cancelled, the rent for the whole period of the shop shall become due at once, which shall be recovered together with all losses as if they were arrears of land revenue.

9. The penalties laid down in the last preceding clause shall not exempt the licensee or his employes from prosecution for any offence committed against the Excise laws or other law in force.

Letter No. 4277—220, dated the 12th February 1901, from the Excise Commissioner in Mysore, submitting, for approval and publication, a draft Notification for the sale of Toddy Shops for the year 1901-1902.

No. 6971-80—Ex. 345, DATED BANGALORE, 7TH MARCH 1901.

ORDER THEREON—In the above Notification the Excise Commissioner has retained clause (10) of para 6, with a view to provide for the waiver, for the year 1901-1902 also as in previous years, of the levy of tree-rent on trees belonging to the various Departments of Government, and states that the concession is necessary as the present season is adverse and the prices of food grains are very high. Government, however, are of opinion that the continuance of such concession is not called for, as it would place owners of toddy trees in private holdings at a disadvantage and hold out a premium for the destruction of such trees. The Government further observe that the season so far has improved, and accordingly direct that tree-rent on Government trees at 4 annas per tree be levied for the year 1901-1902, and that the following be read in place of clause (10) referred to above and note (1) thereof, which will be omitted:—

(10) "Tree-rent at annas 4 per tree with local cess thereon shall be levied on all Government trees tapped for the supply of toddy shops whether within or outside the Mysore territories or in the Civil and Military Station of Bangalore."

2. With the foregoing modification, the draft Notification, submitted by the Excise Commissioner, is approved and forwarded to the Compiler, *Mysore Gazette*, for publication in three successive issues of the *Gazette* in English and Kanarese, the schedule being published in the first issue and a reference thereto made in the subsequent issues.

3. The Excise Commissioner is requested to submit reports on the results of the sales as received from the District Officers, besides a general brief report, with the prescribed tabular statements before the end of the current official year.

Secy. to Govt., Gen. & Rev. Depts.

(*Notification No. 6981—Ex. 346, dated 7th March 1901, is appended hereto.*)

To—The Excise Commissioner in Mysore.
The Comptroller to the Government of Mysore.
The Deputy Commissioners of Districts.

SALE OF TODDY SHOPS FOR 1901-1902.

Notification No. 6981—Ex. 346, dated 7th March 1901.

It is hereby notified by the Government of Mysore that the exclusive privilege of selling toddy in each shop or group of shops specified in the appended *Schedule for one year, beginning with 1st July 1901 and ending with 30th June 1902, will be put up to public auction by the respective Deputy Commissioners or by Revenue Sub-Division Officers or Divisional Officers

*For Schedule, see Extraordinary Gazette, dated 30th March 1901.

of the Excise Department or Assistant Commissioners specially authorized by the Deputy Commissioners for the purpose, on the dates mentioned in the said Schedule, and at the respective taluk kasbas, and will be knocked down to the bidder offering the highest amount of rent for the aforesaid privilege. If the sales are not completed on above named days, they will be continued on the next following days. The licensee is not required to make any additional payment on account of local cess. The Officer conducting the sale shall be at liberty to revise when necessary the grouping of shops as specified in Schedule hereto appended, and to accept or reject any bid at discretion, or to sell the said privilege in any particular case by means of tenders or by private negotiation, or to sell the privilege in any Coffee Estate to the planter for a fixed amount not less than Rs. 12 per shop. The sale in every case shall be subject to the conditions hereinafter set forth and shall, unless revised by the Government, take effect upon formal confirmation by the Deputy Commissioner.

2. Parties intending to bid must attend either in person or by duly authorized agents; and no person shall be permitted to bid either on his own behalf or on account of any one else until he has made a deposit of Rs. 10, in the case of individual shops, or Rs. 25 in the case of groups of shops, or such other reasonable amount as may be fixed by the Officer conducting the sale. Such deposits will be returned at the close of the sale.

3. The successful bidder must, on the exclusive privilege being knocked down to him, and before the next shop or group of shops is put up for sale, deposit a sum equal to one-twenty fourth part of his bid for the year, that is to say, one-half of the monthly rent; and within fifteen days of the confirmation of the sale by the Deputy Commissioner being notified to him in writing, he must deposit such further sum as, with the former deposit, will make up an aggregate sum equal to three months' rent. Within ten days after the expiry of the period allowed for making the deposit of three months' rent as above, the purchaser of the exclusive privilege shall execute an agreement binding himself, and so much of his movable and immovable property as may be deemed sufficient to observe the conditions hereinafter set forth, as well as those specified in the license to be issued to him; and his surety, if any, has been accepted under the next following para, shall execute a bond in the prescribed form binding himself and so much of his movable and immovable property as may be deemed sufficient by the Deputy Commissioner, for the due fulfilment by the purchaser of the terms of his agreement. If default is made in making the deposit or deposits or in executing the agreement or the surety bond, if any, within the time allowed therefor by this para, the exclusive privilege shall be forthwith re-sold or otherwise disposed of by the Deputy Commissioner at the risk of the first purchaser, who shall forfeit to the Government any deposit or deposits already made by him and shall further be liable to make good any loss by the re-sale or other disposal, but shall not be entitled to any gain by the re-sale or other disposal. In the case of the purchaser's death after the confirmation of the sale, it will be binding on his heirs or assigns.

4. The deposit made under the preceding para shall be either in cash or in Government of India Securities or Mysore Debentures duly endorsed in favor of the Deputy Commissioner. Provided that in lieu of a deposit of three months' rent as above, the Deputy Commissioner may, in his discretion, allow any purchaser to deposit one month's rent, as above and to furnish approved personal security for an amount equal to four months' rent, or to deposit two months' rent and to furnish personal security for an amount equal to three months' rent. In all cases where the monthly rent does not exceed rupees ten, a cash deposit equal to three months' rent shall invariably be taken, and no personal security shall be demanded or accepted. If the purchaser shall be found to be a foreigner having no property in the Mysore State, or to be of doubtful solvency, he may be required to deposit twice the prescribed sum or to get a surety or sureties to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract.

5. As soon as the agreements and bonds have been executed, the Deputy Commissioner will issue a license in the prescribed form, assigning to the purchaser the exclusive privilege referred to therein, subject to the following conditions:—

(1) For the supply of toddy to his shops, the licensee shall have the privilege of obtaining, subject to Tree-tax Rules, toddy-yielding trees in the groves assigned to his shops or group of shops; and he shall be at liberty to manufacture toddy from the trees in private lands, under private arrangements between himself and the owners of such lands. He may purchase toddy from any other licensed toddy shop-keeper on application to the Supervisor, who will grant the necessary permits on proof of the necessity for the same.

(2) The exclusive privilege shall extend to the sale of date, palmyra, cocoanut, bagani, and dadasal toddy. But in tracts where both date and bagani toddy shops exist, the licensee of the date toddy shop shall not tap bagani trees, and the licensee of the bagani toddy shop shall not tap date trees; but both licensees can tap any of the other palm trees named above.

(3) The amount of rent shall be payable into the local Government Treasuries on printed chellans furnished for the purpose by Government, in equal monthly instalments commencing from 1st July 1901, each instalment shall be regarded as the rent for the month in respect of which it is payable. But if the amount of annual rent for any shop does not exceed Rs. 5, the whole of it shall be paid in the first instalment. Each month's rent shall be payable on or before the 20th of the same month. If default is made, the Amildar may, with the sanction of the Deputy Commissioner, by record in writing, cancel the license, forfeit all deposits

made by the defaulter, and proceed to re-sell or otherwise dispose of the shop or group of shops at the defaulter's risk as soon after the last day of the month as may be possible. Provided, however, that instead of re-selling the same as above, the Deputy Commissioner may, in his discretion, direct the Amildar to issue licenses to sub-vendors or vendors under the defaulting licensee for rents the aggregate of which is not less than the rent the defaulting licensee had agreed to pay.

(4) The deposit made by the licensee shall be taken in payment of the instalment due in the last month or months of the period of the license. All arrears and deficits payable by a licensee or his surety shall, with interest at 6 per cent per annum, be recoverable under the rules in force for the recovery of land revenue. Interest shall be calculated on all arrears from the date of default and on deficits from the date of re-sale.

(5) If the Deputy Commissioner does not confirm the re-sale, he may make such other arrangements as may appear advisable for the remainder of the period of the license, in which case he shall serve a notice on the defaulting licensee informing him of the nature of the arrangements made.

(6) Toddy shall not be sold to the public at less than the retail rates specified in the appended schedule.

(7) The toddy shall be sold pure as drawn from trees, and shall not be adulterated or diluted in any manner in the shops, or depôts, if any.

(8) If the licensee of a group of shops wishes to establish a depôt for depositing toddy required for distribution to his shops, he shall obtain a license for it in the prescribed form. The licensee of the depôt shall keep true accounts of the quantity of toddy received in the depôt and issued to the shops. The passes issued with the toddy transported shall be subject to examination and check by the officers authorized in this behalf.

(9) The toddy shall not be sold except in shops duly licensed by the Deputy Commissioner in the prescribed form, and no new shops shall be opened without the previous sanction of the Excise Commissioner. Tree-foot sales or sales in the open, or the disposal of toddy in any other manner unauthorized by the Rules, are strictly prohibited. Provided, however, that in bagani tracts the licensee who has purchased the right of vend of bagani toddy may permit the tapping of bagani trees for domestic consumption, as well as for sale within the limits of the village purchased by him. The licensee of each shop will be required to keep an account of the receipts and expenditure of toddy in his shop.

(10) The Deputy Commissioner may, whenever he thinks fit, direct any shop or shops to be closed, or permit transfers of shops from one place to another within two hundred yards of the original sanctioned site.

(11) The licensee shall not, during the term of the license, have any interest in the exclusive privilege of vending arrack within the taluk in which his shop is situated nor permit any person having interest in the exclusive privilege of vending arrack in the taluk to hold any share or interest in his exclusive privilege of selling toddy; nor shall he, during the term of his license, without the written permission of the Excise Commissioner, have any interest, direct or indirect, in any toddy shop or farm outside the Territories of Mysore.

(12) The licensee shall be bound by the provisions of the Excise law and rules thereunder for the time being in force and by the terms and conditions of the license. The licensee shall use such measures of capacity as may, from time to time, be prescribed by Government, and provide himself with permits for the transport of toddy. Printed forms of permits may be purchased from Excise officers.

(13) The license shall not be transferable, except with the permission of the Excise Commissioner.

6. The Tree-tapping Rules provide as follows:—

(1) Tree-tapping licenses in the prescribed form shall be issued on the application—

(*a*) of licensed toddy shop-keepers or of their duly authorized Agents,

(*b*) of toddy shop-keepers in British Territory desirous of obtaining toddy from trees growing in the Mysore Territory but free from payment to the Mysore Government of the Tree-tax prescribed in clause 9 below, and

(*c*) of tree-owners in coffee estates, hittals and kans in the malnad free of the prescribed tree-tax for drawing toddy for *bonâ fide* domestic purposes as per Government Order No. 11897-906—Excise 485, dated 20th June 1898, for such number of trees as may be found necessary by the Excise Commissioner.

The licenses may be issued in the name of applicant himself or of his nominees.

(2) Applications for the grant of tree-tapping licenses must be made in the prescribed form to the Excise Supervisor of the Range concerned. Forms may be obtained from him or the Inspectors under him.

(3) Applications for tree-tapping licenses, for trees in occupied or alienated lands, should be countersigned by the owner of the trees intended to be marked in token of his consent. Applications for tree-tapping licenses for trees in State Forests and Plantations should be countersigned by the Forest Range Officer in token of his consent.

(4) Persons applying for the issue of licenses will be responsible to Government for all sums payable as tree-tax and tree-rent on account of the trees licensed therein to be tapped.

(5) On receipt of an application the Supervisor will at once take steps for the marking of the trees by an Officer superior in rank to an Examiner and for the timely issue of the license. Applicants for trees shall point out to the marking officer, when required by the latter to do so, the trees applied for by them. Should they fail to do so after reasonable notice, the tree-tax and tree-rent paid by them shall be liable to be forfeited at the Deputy Commissioner's discretion.

(6) Deputy Commissioners may, subject to the orders of the Excise Commissioner from time to time, prescribe the minimum number of trees for which licenses will be granted and the minimum number to be entered in a single application. They may also direct that the trees situated in one village only shall be included in an application.

(7) No trees shall be tapped, nor shall toddy be drawn from any toddy tree, nor shall any pot be attached to any toddy tree, until the tree has been marked by the proper officer. But the removal of leaves for the purpose of making incisions and the preparation of the spathes or incisions for the drawing of toddy is permitted as soon as the application in the prescribed form has been delivered to the Treasury.

(8) For all toddy-yielding trees, tree-tapping licenses shall be annual. For the convenience of the licensee, applications for tree-tapping licenses will be received, trees will be marked and licenses will be issued during the 15 days, and pots may be attached to such marked trees during the five days, immediately preceding the period to which they relate, to take effect from the commencement of such period, provided that no toddy shall be removed from the trees except during the currency of such license.

(9) No tree is to be tapped for toddy without a license therefor to be obtained by payment of tree-tax at the following rates:—

TREE.	Tree-tax for each tree per annum including local cess. Rs.	a.	p.
Date	1	1	0
Cocoanut	2	2	0
Palmyra	1	9	6
Bagani or Sago palm	1	9	6
Dadasal (Arenga wightii)	0	8	6

NOTE.—The licenses will be free of tax to the Mysore Government in the cases specified in clause I (*b*) and (*c*) above.

(10) Tree-rent at annas 4 per tree with local cess thereon shall be levied on all Government trees tapped for the supply of toddy shops whether within or outside the Mysore Territories or in the Civil and Military Station of Bangalore.

NOTE.—No trees upon Government occupied land can be tapped without the consent of the owner. The present arrangement as regards trees on alienated land will hold good subject of course to the levy by Government of tree-tax.

(11) The tree-tax and tree-rent (with local cess on both the items) shall be payable in the following instalments, unless the Excise Commissioner shall otherwise direct:—

Period within which license is applied for.	Proportion of tree-tax and tree-rent to be paid at the time of application for license.	Proportion of tree-tax and tree-rent to be paid before the end of the month following.
Between 1st July 1901 and 30th April 1902.	One-third ..	The remaining two-thirds. But if the number of date, cocoanut and palmyra trees applied for be ten or less than ten, and of bagani and dadasal trees be five or less than five, the whole amount of tree-tax and tree-rent payable thereon, shall be paid with the application.
Between 1st May 1902 and 30th June 1902.	The whole ..	

(12) Under the arrangement which has been arrived at with the Government of Madras the tree-tax on toddy produced by the trees in the Madras Presidency but consumed in the Mysore State, will be credited to the Mysore Government and *vice versa*. The rate of tree-tax to be paid in such cases will invariably be the highest in force on either side of the frontier. The following procedure shall be observed on the subject—

(*a*) Tree-tax on trees in the Madras Presidency for which tapping licenses are about to be taken out by Mysore shop-keepers, must be paid in one instalment to the Amildar of the taluk concerned in the Mysore State, who will grant a receipt in the prescribed chellan form and certify at the foot that the applicant is a person entitled to take out tree-tapping licenses. The applicant will then make his application to British authorities in accordance with the Madras Government Tree-tap-

ping Rules, and will obtain a Transport Permit from the Supervisor concerned in the Mysore State for the transport of the toddy drawn from the frontier to the shop or depôt for which it is intended, after having complied with all requirements of the Madras Government Rules.

(*b*) A shop-keeper or renter in the Madras Presidency desiring to obtain toddy from trees growing in the Mysore Territory, will pay into the Thasildar's Treasury concerned in the Madras Presidency, the tree-tax on the trees which he proposes to tap. The Thasildar after satisfying himself that the applicant is a person who is entitled to take out a tree-tapping license, will grant a receipt with this fact certified at the foot.

(*c*) The applicant will then proceed to make an application to the proper Mysore authorities in accordance with the Tree-tapping Rules in force in that State. The Mysore authorities concerned will accept the receipt and certificate as evidence that the amount mentioned has been paid, and that the applicant is a person by whom an application for a tree-tapping license may be made. It must, however, be distinctly understood that licenses may be refused at discretion in the case of trees reserved by the Excise Department for the purpose of giving them rest or for other reason considered sufficient by the Officer refusing the license. The issue of licenses, marking of the trees, &c., will be effected in precisely the same manner as if the applicant were a shop-keeper in the Mysore State, the number of trees to be licensed being calculated at the higher rate of the tree-tax, whether British or Mysore, if the rate is not the same on both sides of the frontier.

(*d*) The Supervisor concerned in the Mysore State will issue Transport Permits to the frontier in the usual way, care being taken, as far as possible, to prescribe a route which does not involve the toddy approaching near any Mysore toddy shops. The latter should not be located along any of the main routes by which toddy is exported to the Madras Presidency, if it can be avoided; and the attention of the Deputy Commissioner concerned should be invited to the desirability of removing adjacent shops to a distance. It will be for the British Officer to grant permits from the frontier on to the destination of the toddy.

(*e*) Transport Permits, for toddy exported by rail, will be given in batches of seven or any other requisite number, one for each day, to allow of a Transport Permit being invariably attached to the Way-bill.

(13) In the tree-tapping licenses granted on the application of British renters and shop-keepers, the following rule will be inserted—

> "All toddy drawn by the licensee shall, as soon as the pots containing it are removed from the trees, be immediately conveyed direct across the frontier into the Madras Presidency, under a General Transport Permit granted by the Deputy Commissioner of the district, or other duly authorized officer or person. Transfers of toddy, even by way of gift, between the time of drawing and crossing the frontier, and tree-foot sales or sales in the open, or the disposal of the toddy in any other manner unauthorized by the rules in force, are strictly prohibited."

(14) Licenses to British shop-keepers to tap trees in the Mysore State are granted in consideration of the payment of tree-tax to the British Government, and are liable to cancellation at its request, or that of any Officer duly empowered by it in this behalf.

(15) Toddy drawn from British trees may be allowed to pass across Mysore Territory on permits granted by British officials, provided they are countersigned by the Supervisor of the Range in Mysore Territory through which the toddy is being transported.

(16) Every person to whom a tapping license is granted for the manufacture of toddy either for local consumption or for export to British Territory, shall observe the following rules in tapping date trees—

(*a*) Date trees shall be tapped only by professional men.

(*b*) Trees tapped one year shall not ordinarily be tapped the next year.

(*c*) Trees shall not be overtapped or overworked.

(*d*) In no date tree shall the initial incision be made at any point less than 3 feet from the ground except in places where permission is specially given.

(*e*) The depth and width of the incision shall not exceed one-third of the diameter of the tree, and the length of it shall not exceed eight inches.

(*f*) Every fresh incision shall not be less than one foot above the last incision, except in localities where permission is specially given.

(*g*) The central spike-like clusters shall not be touched. Of the lateral leaves not less than two layers of leaves shall be left, reckoning from the layers immediately next to the central clusters down to the top line of the incision; or in other words, above the top line of the incision not less than eight leaves shall be left excluding the central spike-like clusters, on that face of the tree on which the incision is made.

(*h*) The licensee shall not cut or injure or permit to be cut or injured, the trees licensed to him, or any other trees.

(*i*) The licensee or his employer will be liable to pay a fine of one rupee for each tree in excess of three per cent of the number of trees marked for him which may die from over tapping or careless tapping either during the lease or within six months after its expiration.

(17) In every grove where toddy-yielding trees are tapped, a ladder shall always be kept by the tapmen to enable Excise Officers to examine incisions or spathes, as the case may be, or to measure the incisions.

7. In case of any breach of the conditions of the license, either by the licensee, or with his connivance or privity by any person in his employment, or in the event of the licensee neglecting to open his shops or to carry on his business with due care and attention, it shall be competent to the Deputy Commissioner to impose upon the licensee a fine not exceeding the sum of Rs. 50 for every such breach or neglect, or at the option of the Deputy Commissioner to declare the money deposited with him forfeited, and to cancel the license, and re-sell the exclusive privilege or otherwise dispose of it at the risk of the licensee, or to place it under the management of Government. When a license is cancelled, the rent for the whole period of the lease shall become due at once; and all loss caused to Government by the cancelment or re-sale or otherwise of the license shall be made good by the licensee or his surety in the manner specified for re-sales in para 3 above. All the amounts of such penalties and loss shall be recovered in the same manner as if they were the arrears of land revenue.

8. The imposition of a fine or the forfeiture of deposit or the cancellation of the license under the last preceding condition, shall not be held to prevent the prosecution of the licensee or his agents or employees for any offence punishable under the law for the time being in force.

Petition of Appeal No. 798, dated 4th October 1898, of Kapinigauda and others of Mavinahalli village in the Tiptur taluk, against the order of the Deputy Commissioner, Tumkur district, claiming a right to graze their cattle on the Hulbanni lands of Habakanahalli village.

2. Letter No. 657, dated 28th April 1899, from the Deputy Commissioner, Tumkur district, reporting that he decided the case in accordance with the principles contained in Government decision, dated 4th July 1889, in Appeal No. 2626 of 1887-88.

3. Correspondence ending with letter No. 497, dated 26th November 1900, from the same, reporting further on the case.

4. Records of the above.

No. 7155-62—P. F. 32 OF 99, DATED BANGALORE, 13TH MARCH 1901.

ORDER THEREON—The order quoted and acted upon by the Deputy Commissioner is quite inapplicable. On careful enquiry the Assistant Commissioner has found as a fact that by custom the villagers of Mavinahalli were grazing in the grounds of Habakanahalli and paying a proportionate share of the hulbanni realizations. This finding has not been called in question and must be accepted by Government as final and binding upon the parties. With such a finding the case falls under Section 40 of the Mysore Land Revenue Code and Para VI of the Hulbanni Rules contained in Government Order No. 2360—9-55, dated 16th July 1884. Under this rule the two villages of Mavinahalli and Habakanahalli are entitled to be treated as a group. The Deputy Commissioner's order is therefore reversed, and he will be directed to pass an order in accordance with the view set forth above.

AND
V. P. MADHAVA RAO, ESQ., C. I. E.,

Appeal No. 20 of 1899-1900.

Appellant	*Versus*	Respondent
Banavati Nanjundaiya of Jodi Arudi village, Dodballapur taluk.		Chatrada Subbanna of Bangalore.

Facts of the case.

This is an appeal against the order of the Deputy Commissioner, Bangalore district, confirming the sale for revenue arrears of certain vrittis belonging to the appellant in the Arudi Jodi village of the Dodballapur taluk.

2. The village having fallen into arrears of jodi due for the year 1898-99 (and previous years also), a demand notice was issued to all the jodidars collectively, demanding from them the arrears of jodi together with the amount of contribution payable by them towards the cost of repairs of the village tank executed by Government. The notice was served on all the jodidars on 26th March 1899. The default having continued, the village was advertised for sale separately by vrittis on 16th June 1899, in the Dodballapur Taluk Cutcherry. The sales were conducted by Mr. P. Sitharamiah, Divisional Officer. The sale of 15¼ vrittis belonging to the appellant began on 16th June 1899, and was adjourned to 17th, 20th and 21st June for want of bids. On the last date they were knocked down to the respondent Subbanna for Rs. 4,000.

3. On 5th July 1899, the Amildar submitted the sale records to the Divisiona Officer adding that the purchaser had paid up the full amount of purchase money withi the due date, *i. e.*, on the 5th July following, that the defaulter had also paid up th arrears on 23rd June 1899, and that the same was held in deposit.

4. On 31st July 1899, the Divisional Officer recommended to the Deputy Commis sioner that, as the price realized at the sale was very low and the appellant had paic up the arrears, the sale might be cancelled and the purchase money refunded to the pur chaser. But the Deputy Commissioner confirmed the sale on 13th September 1899, or the ground that there was no irregularity in publishing or conducting the sale. Th appellant has appealed to Government against this order and urges that the demand wa in excess of the sum due by him; that the arrears accrued at the time when the village was under Government management; that the district and taluk authorities did not give him proper assistance in recovering the same, that the amount of contribution had no yet fallen due; that the price realized at the sale was very low, and that the sale had been adjourned for more than three days, in contravention of para 3 of Section XLI of the Land Revenue Rules. He prays that, as he has paid up the whole of the arrears, the sale might be cancelled.

Decision.

5. In this case Government are not satisfied that an adequate price was realized for the vrittis sold. The remark made by the Divisional Officer Mr. P. Sitharamiah, who conducted the sale, at the foot of the haraz patti, that the sale should be stopped for want of proper bids and that fresh sale notification should be issued, would show that the sale was not finally concluded. Subsequently when the records were submitted to him by the Amildar for confirmation, the Divisional Officer made a distinct recommendation to the Deputy Commissioner, that as the amount of the bid was low and as the appellant had paid up the arrears, the sale might be cancelled. That officer, however, took a different view and confirmed the sale. From a perusal of the records Government are of opinion, as already remarked, that an inadequate amount has been realized for the vrittis. No declaration of forfeiture has been recorded as required in Revenue Rule XXXVI, para 1. It is also a question if the direction contained in para 3 of Revenue Rule XLI, regarding no sale being adjourned for more than three days, has been strictly complied with. Under these circumstances, the sale of the appellant's vrittis is cancelled, and the amount deposited by him will be credited towards his arrears, and the purchase money paid by the respondent refunded to him.

No. 7258-65—P. F. 93-92, DATED BANGALORE, 15TH MARCH 1901.

Copy forwarded to the Deputy Commissioner, Bangalore district, with the records received with his letter No. 490, dated 22nd September 1900.

Also to other Deputy Commissioners.

READ—

Petition of Appeal No. 1696, dated 16th April 1899, of Gundappa, shanbhog of Ammanahalli and Bandihalli, against the order of the Deputy Commissioner, Tumkur district, directing him to hand over charge of his office in accordance with Government Proceedings No. 3143-50—P. F. 33-98, dated 2nd November 1898, to Venkatakrishnaiya of Sivasandra, Gubbi taluk.

(2). Letter No. 47, dated 22nd July 1899, from the Deputy Commissioner, Tumkur, reporting on the above:—

In returning the enclosures to your docket No. 9537—P. F. 33-98, dated the 27th ultimo, regarding the petition of Gundappa of Gubbi in respect to the shanbhogship of Ammanahalli and Bandihalli villages in the Nittur sammath, Gubbi taluk, I have the honor to forward herewith the entire record in Revenue Original Suit No. 5 of 1895-96 on the file of the Extra Assistant Commissioner's Court and in Revenue Appeal No. 3 of 1896-97 on the file of the Deputy Commissioner's Court, and to state that the facts connected with are fully detailed in this Court's judgment in the latter case.

2. The shanbhogship of Nittur and ten other villages belonged to a family consisting of three brothers, who are now represented by (1) Sinappa of the first branch, (2) Venkatadasappa, petitioner Gundappa and Venkataramanaiya (minor) of the second and (3) Venkatakrishnaiya of the 3rd. At present Sinappa is the Baravarddar shanbhog of * five villages, Venkatadasappa of one village, *viz.*, Nittur amanikere, and Venkataramanaiya (minor) of the remaining † five conjointly with petitioner Gundappa.

*1 Nittur	†1 Matigatta
2 Babiganahalli	2 Ammanahalli
3 Karehalli	3 Bandihalli
4 Parasanhalli	4 Pura
5 Kenchenahalli	5 Nandihalli

3. Venkatakrishnaiya of the 3rd branch brought a suit for the recovery of a fourth share in the shanbhogship of the 11 villages above mentioned, and his claim was recognized in the original and appellate Courts, *vide* Government decision, dated 2nd November 1898, No. 3143-50—P. F. 33-98. In execution of this decision, the Government directed that Venkatakrishnaiya should be put in charge of the smallest of the four circles or firkas into which the 11 villages above referred to were divided at the Survey Settlement. The circle consisting of the villages of Kenchenahalli, Ammanahalli, Bandihalli and Karehalli, was the smallest, and it accordingly fell to the share of Venkatakrishnaiya. Of these four villages, the shanbhogship of two, *viz.* Ammanahalli and Bandihalli, has hitherto been held by Venkataramanaiya (*minor*) and *remaining two* by Sinappa. Petitioner Gundappa being the guardian of the said minor Venkataramanaiya and being in charge of the duties of the villages registered in the minor's name, he was required to make over Ammanahalli and Bandihalli to plaintiff Venkatakrishnaiya. To this he objects, so far as can be gathered from his petitions to Government (herewith returned), on the following grounds :—

(1) That he was not a party to the suit which culminated in the decision of Government, dated 2nd November 1898, No. 3143-50—P. F. 33-98.

4. In regard to this objection, it has to be noted that Venkataramanaiya (minor), who is the joint Baravarddar shanbhog of five out of the 11 villages in dispute, was the 3rd defendant in the revenue suit brought by Venkatakrishnaiya, and that the said minor has been represented throughout the proceedings by petitioner Gundappa, who is his father's brother and guardian. It was in 1880 that petitioner Gundappa was, as a *temporary measure*, registered as shanbhog of the firka of which the villages of Ammanahalli and Bandihalli now in question form part, *jointly* with his brother Puttanna, father of minor Venkataramanaiya, but Gundappa never entered upon the duties of the office till recently. Puttanna was carrying on the duties connected with all the five villages till his death in 1895, when a gumasta was appointed for the work by petitioner Gundappa himself. To all intents and purposes, Gundappa's brother Puttanna was regarded as the shanbhog of the five villages forming the Mathigatta firka. Plaintiff Venkatakrishnaiya therefore made his son and successor, minor Venkataramanaiya, a party to his suit. Petitioner Gundappa was not made a party to the suit, apparently because he never officiated as shanbhog prior to the institution of the suit. Petitioner Gundappa took no objection to the joinder of parties when he filed his statement on behalf of his minor nephew in answer to Venkatakrishnaiya's plaint. If he thought his interests would be affected by the result of the suit, he would have certainly applied to be joined as a defendant. His silence therefore goes against him.

(2) That the claim of Venkatakrishnaiya is barred by the law of limitation.

5. The question of limitation was raised and fully discussed in the suit in question, and finally Government have decided the point in plaintiff's favor.

6. The Government having finally directed that the smallest circle should be given over to plaintiff Venkatakrishnaiya, the distribution of the remaining circles between the representatives of the remaining two branches of the family as suggested in para 4 of my letter No. 32, dated 8th July 1898, seems equitable and sanction is solicited to the same being given effect to.

(3). Records of the case.

READ AGAIN—

Government Proceedings No. 3143-50—P. F. 33-98, dated 2nd November 1898, directing that Venkatakrishnaiya be placed in charge of the smallest of the four firkas.

No. 7354-61—P. F. 33-98, DATED BANGALORE, 16TH MARCH 1901.

ORDER THEREON—The petitioner's claim cannot be urged at this stage of the case. He was not a party to any of the proceedings in the lower Courts. If he has a claim, he must urge it *de novo* in the proper Court and in the proper form. His objection to enforce the Order of Government, No. 3143-50—P. F. 33-98, to put Venkatakrishnaiya in charge of the smallest circle, *i. e.*, No. II consisting of Kenchenahalli, Ammanahalli, Bandihalli and Karehalli with a potgi of Rs. 49-8-0, is untenable and must be rejected. The Deputy Commissioner will enforce that order without further delay and also settle the other three charges among the other claimants as to him may seem proper and in accordance with the rules, leaving it to the aggrieved parties to appeal if they choose to do so. It is inexpedient for the Government to issue detailed instructions at this stage as to how the Deputy Commissioner must enforce a clear Potgi Rule which he ought to have done long ago.
